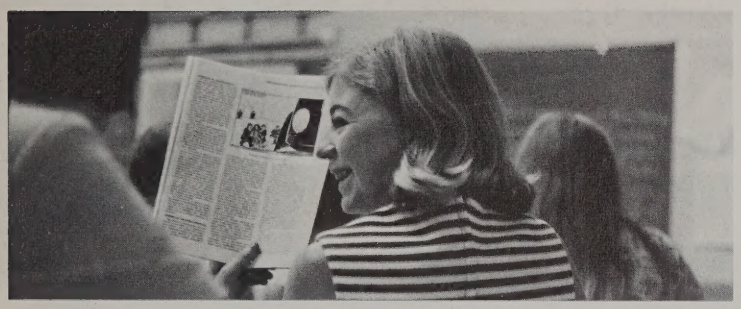
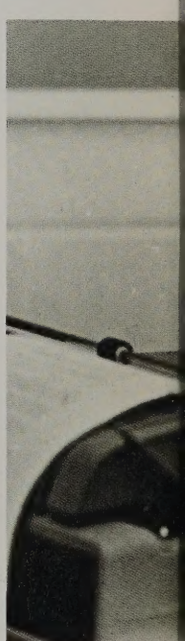
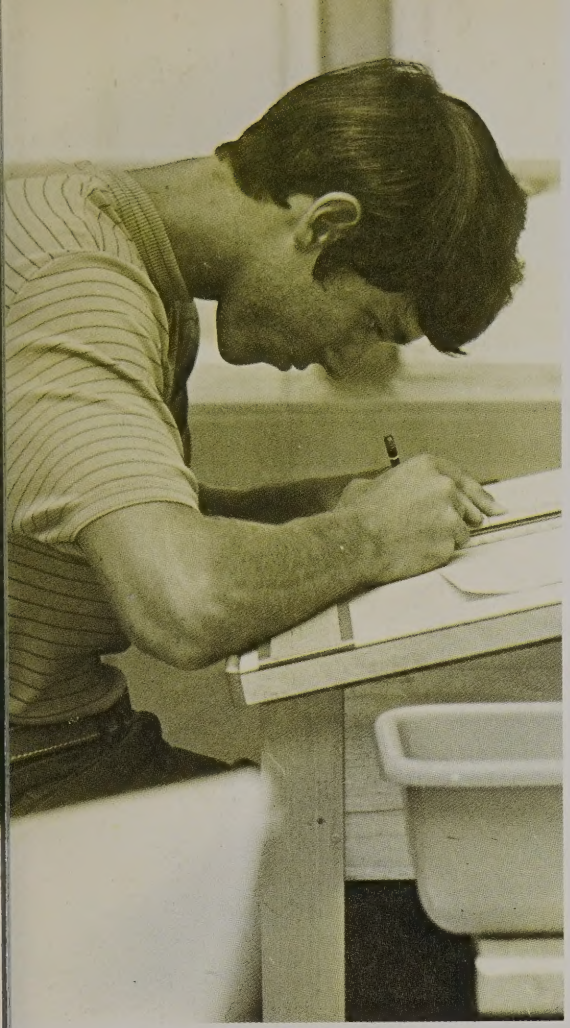
We explore friendships –
seeking the bonds
that will give us
confidence, fulfillment . . .



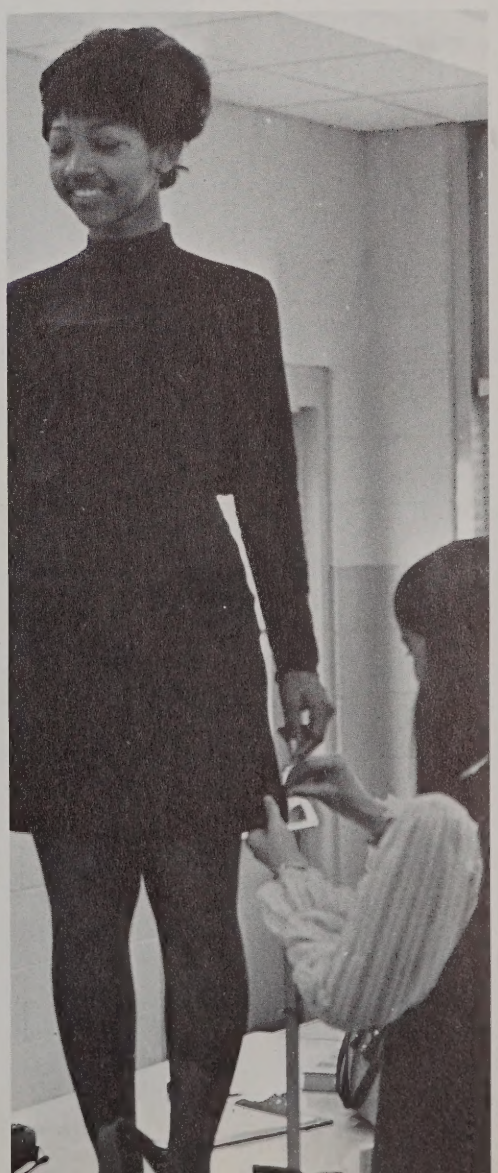
and the
happiness
that comes
with
belonging

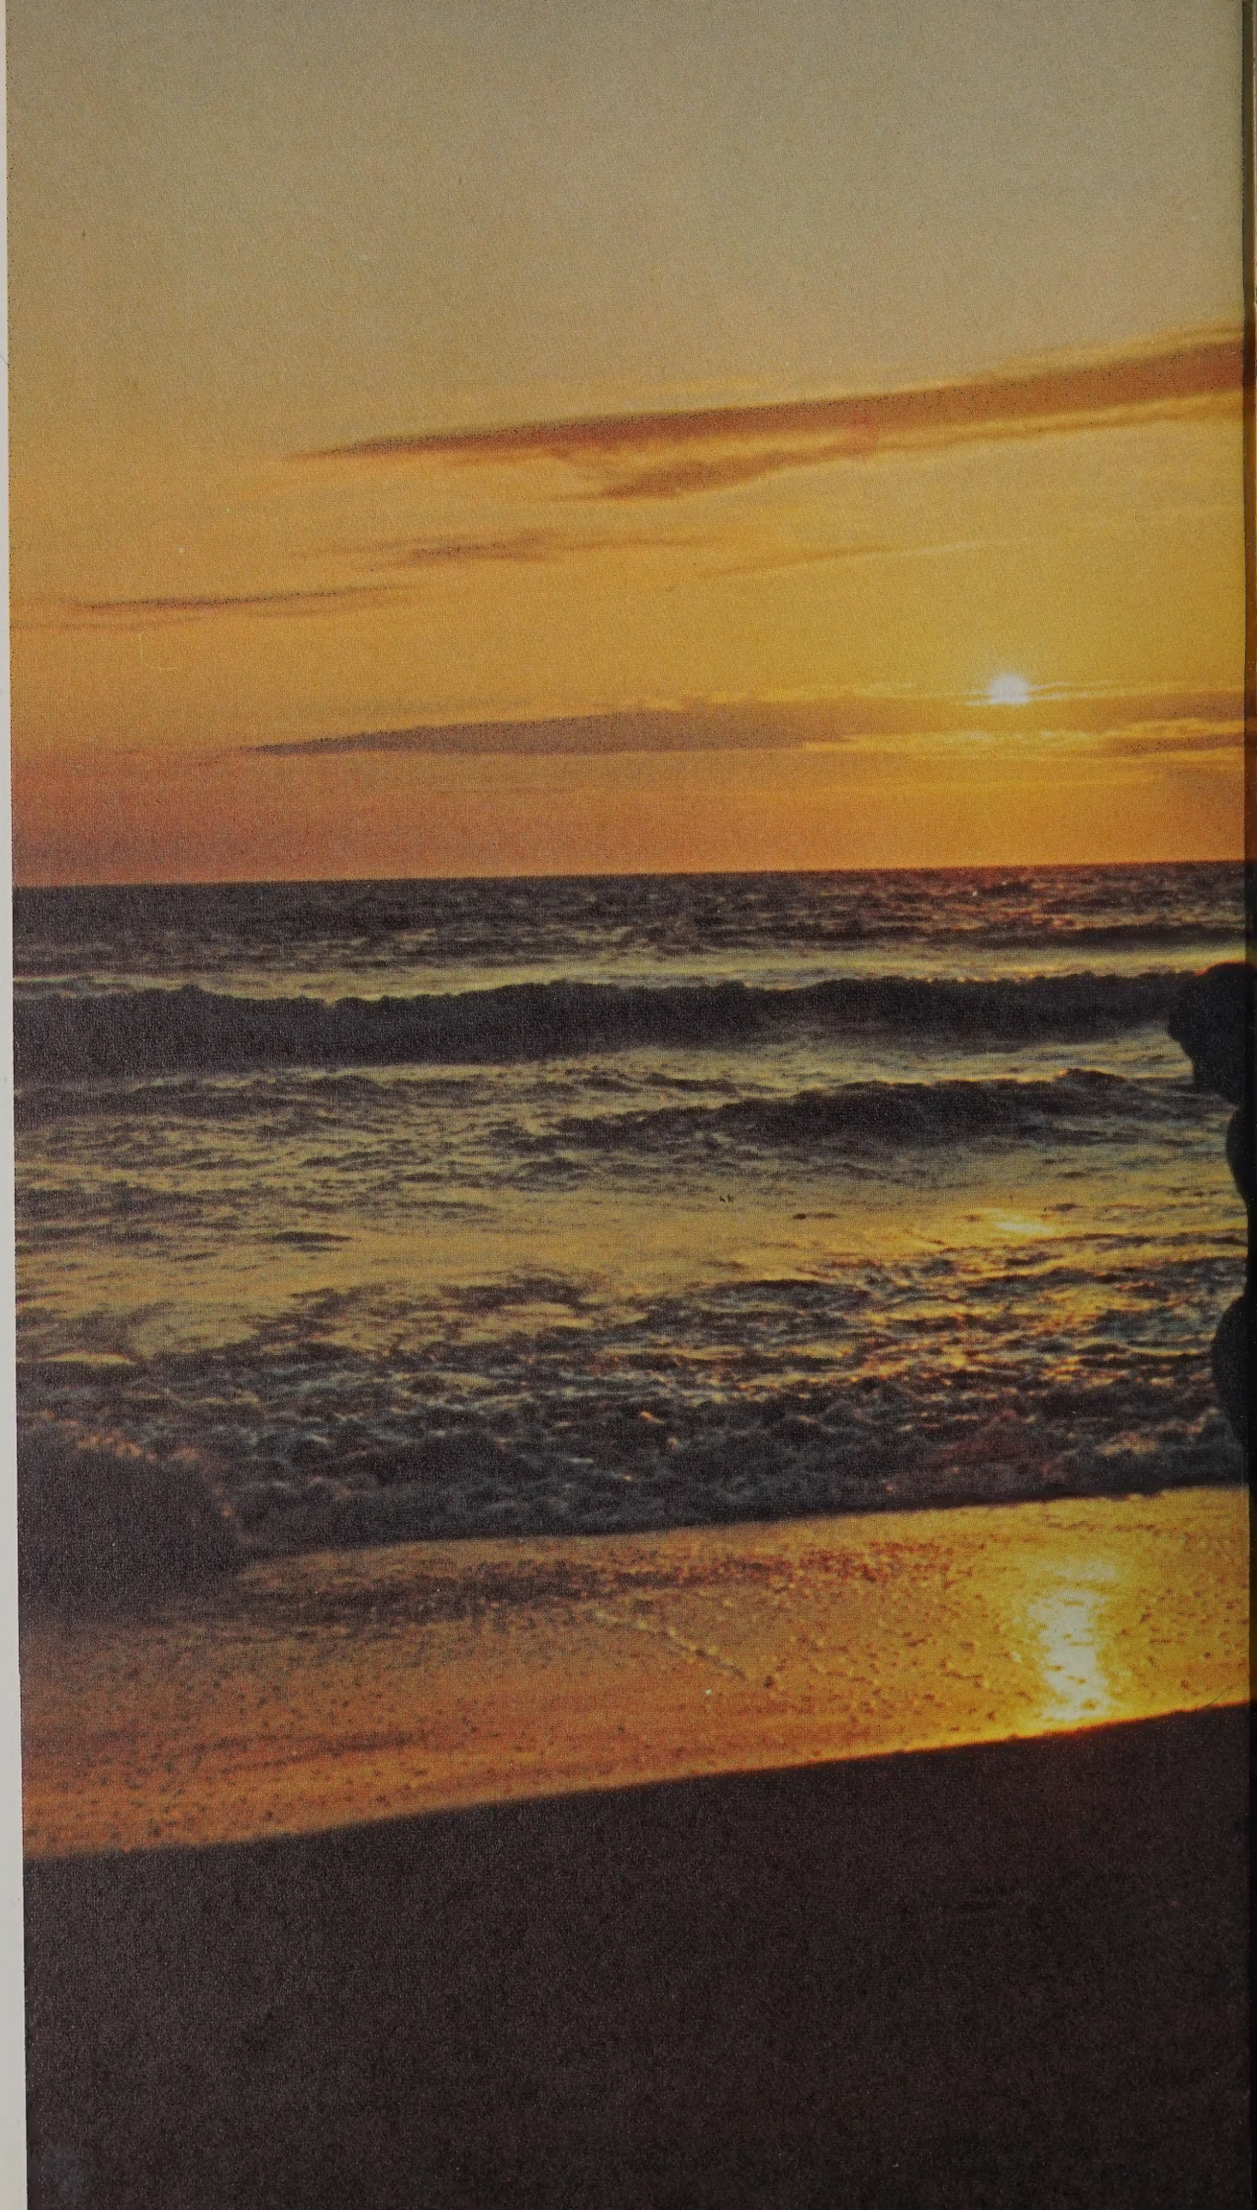
An inquiring mind prompts us to delve
into the realm of knowledge – both theoretical . . .



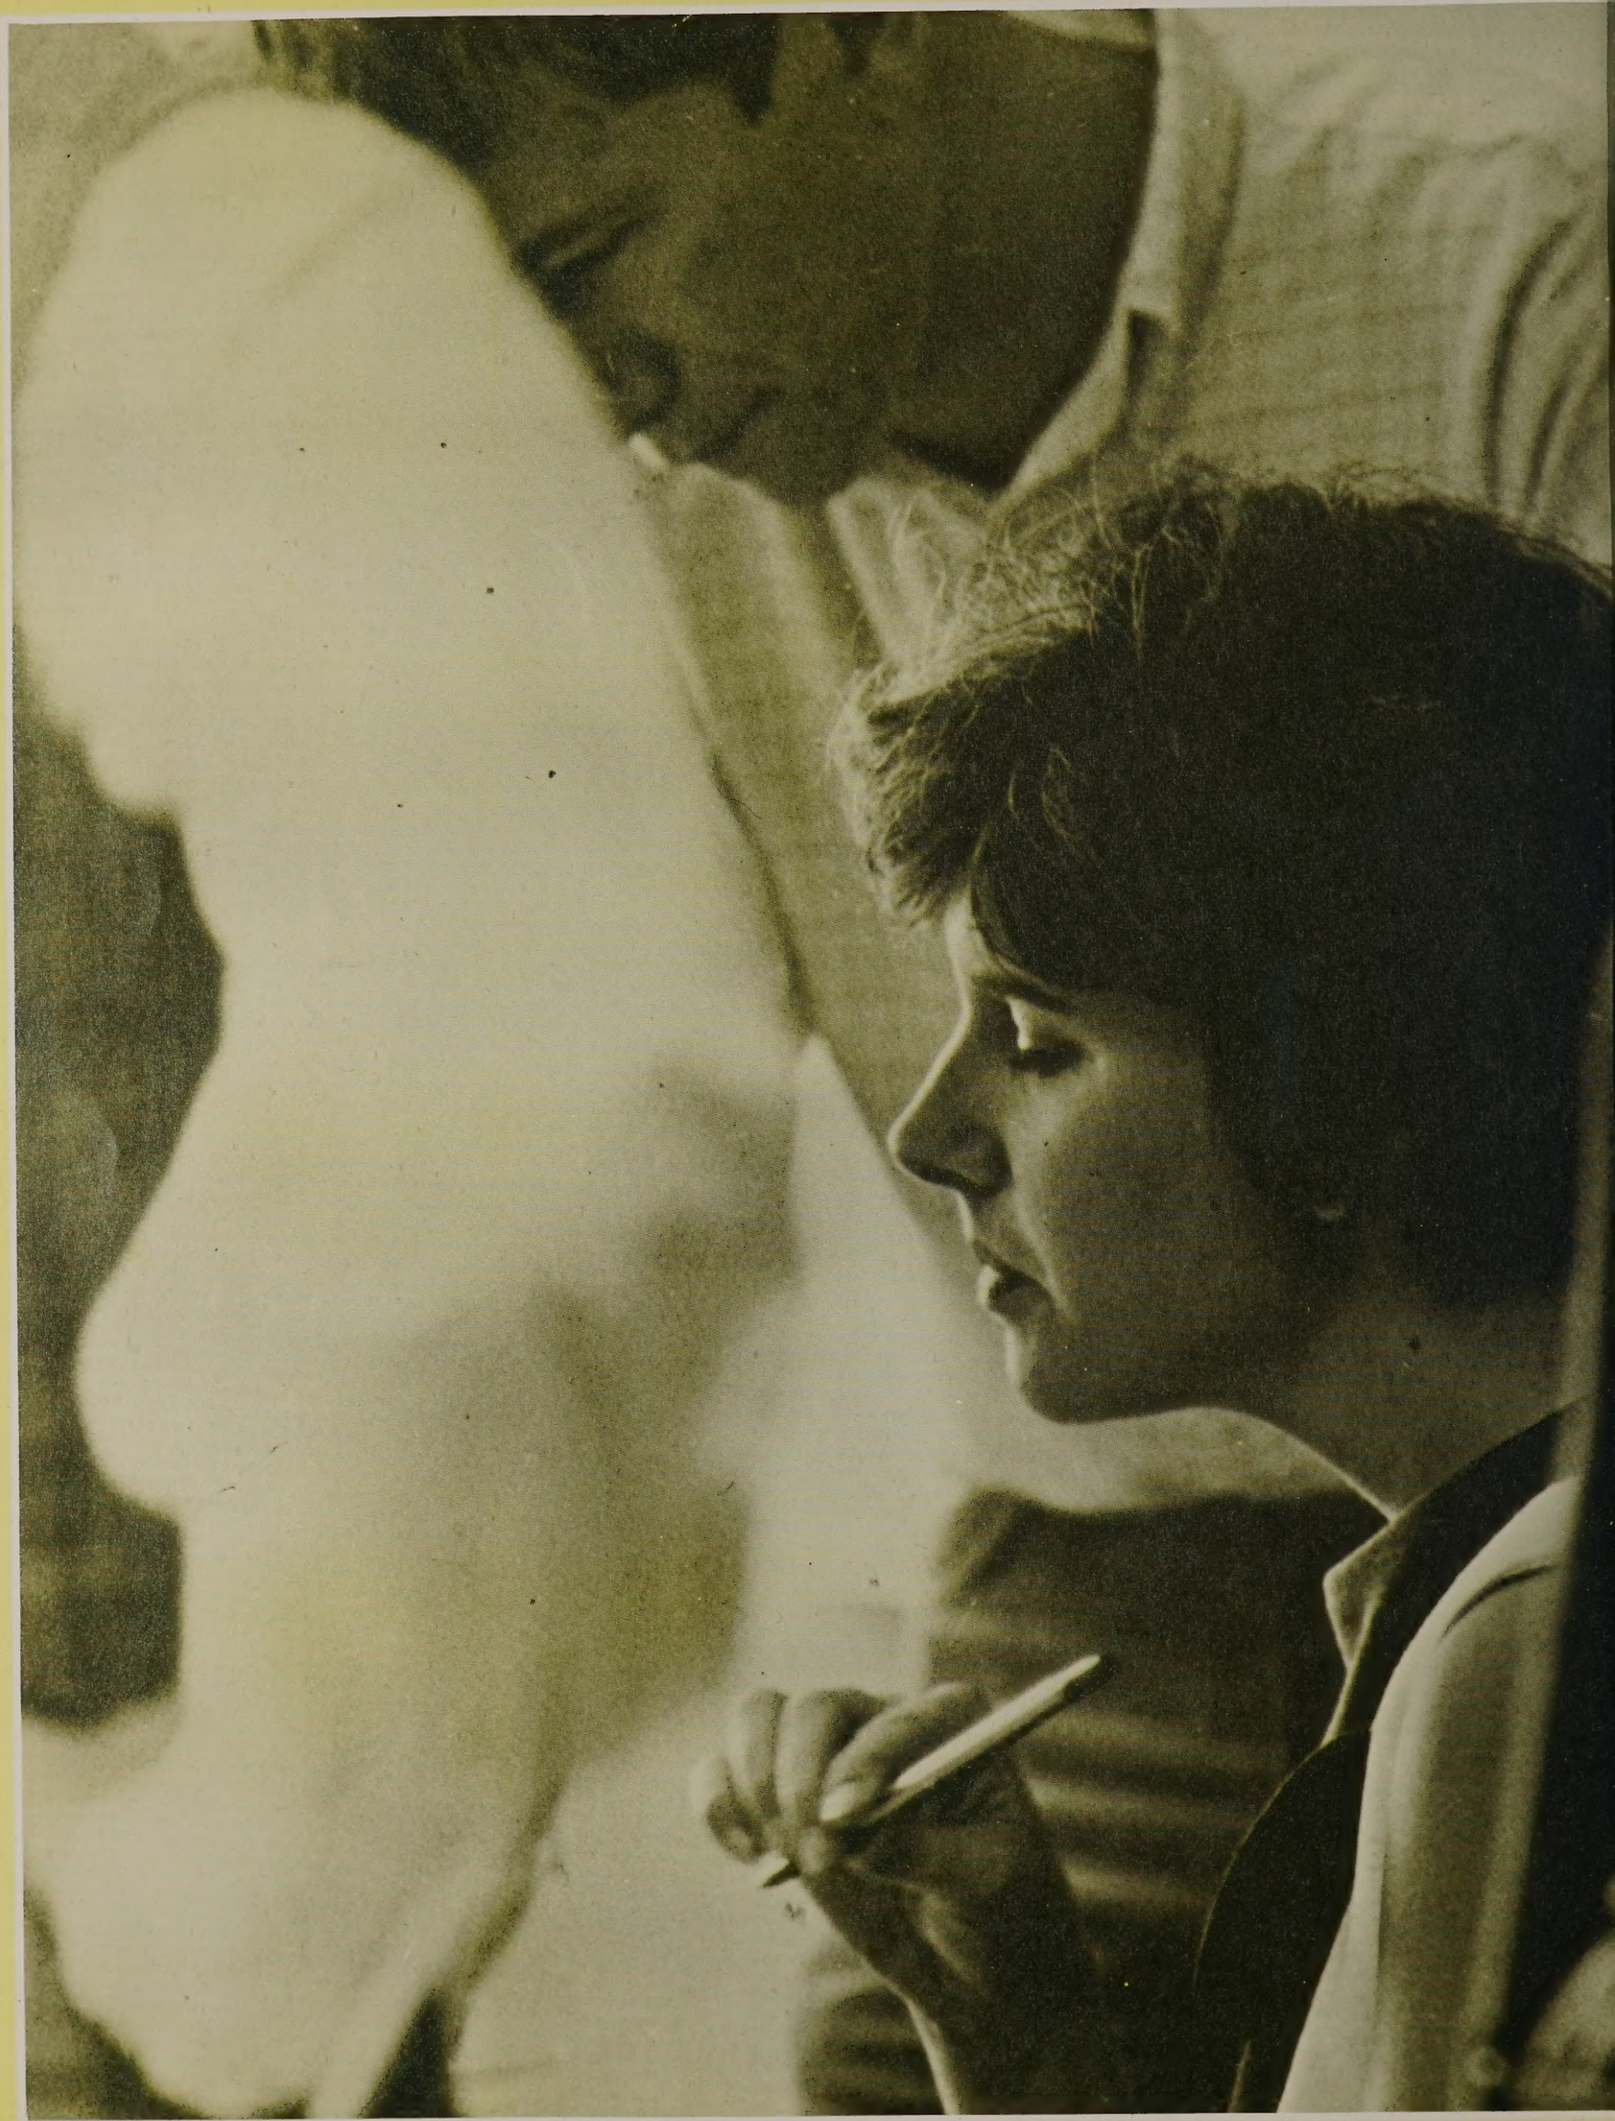


and that which will be
of direct value
in future years





But to make our exploration meaningful, we must first probe our inner selves, seeking our individual strengths, talents, and weaknesses — the self awareness enabling us to pursue a significant and purposeful life.



ADMINISTRATION AND FACULTY

Our teachers led us
to seek
new levels of perception
and, along the way,
learned
themselves.

Mr. E. E. Brickell, Jr.
Superintendent of Schools

Effectiveness of Curriculum Evaluated by Mr. Brickell

At the beginning of the school year Superintendent of Schools E. E. Brickell announced that there would be an intensive study of all departments in the city schools. The purpose of this study was to determine whether or not the available funds were being spent in the best possible way.

Trying to see things from the student's point of view as well as that of the administration, Mr. Brickell met with the SCA presidents and various students chosen at random from all the Virginia Beach high schools.

When asked his opinion of today's students, Mr. Brickell described the students of today as "... knowledgeable, articulate, and well-informed."

Mr. Brickell discusses results of curriculum study.

Eight O'Clock Classes Increase Mr. Hill's Responsibilities

Mr. Letcher Hill, a graduate of East Tennessee State University, received his M.A. in administration from Peabody Teacher's College.

He began his day at Bayside with an early start, opening the doors of school to admit the eight o'clock classes. As the day went on, he was confronted with the minor administrative problems which invariably arise in the running of a school the size of Bayside. These problems were somewhat intensified because of the additional burden of having to share the building complex with the Junior High, but even this temporary inconvenience, with Mr. Hill's guidance, proved no detriment to the smooth administration of the school.

Maury's Loss of Mr. Themides Proves Bayside's Gain

A newcomer to Bayside but not to Tidewater, Mr. Michael Themides came here from Maury High School where he was the assistant principal last year. After he was graduated from East Carolina University, where he received his B.S. and later his M.A., Mr. Themides taught history and government at Maury, and also coached the football and basketball teams. Following his five years at Maury, he became the assistant principal at Norview Junior High School.

This year at Bayside, Mr. Themides became well-known the first few weeks of school as he carried out his various duties. He found himself busy with rearranging schedules, overseeing transportation problems and assisting teachers, often with just a pleasant word.

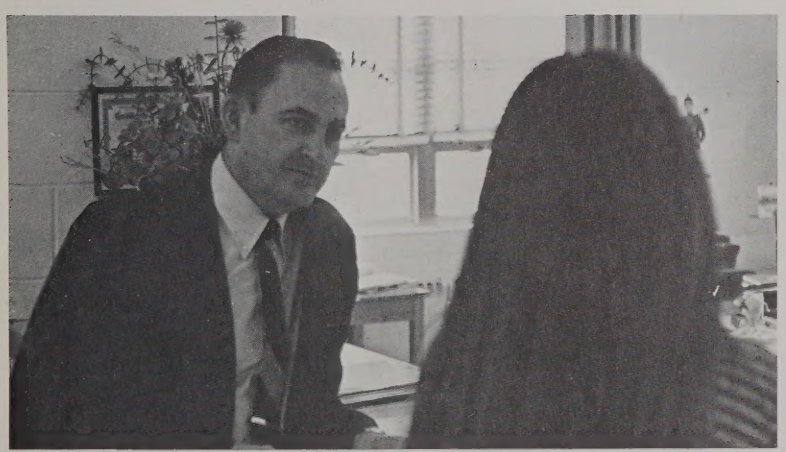
Mr. Sykes Returns To Bayside In New Capacity

Mr. Ralph Sykes was no stranger to Bayside when he began the school year here as assistant principal in charge of curriculum. When Bayside first opened its doors to students five years ago, Mr. Sykes taught math. For the past three years he was chairman of the math department at Kempsville High School, but he was very happy to be back at Bayside.

Working together with Mr. Themides whenever possible, Mr. Sykes helped make the school year as successful as it was. His duties were numerous, ranging from general supervision of curriculum, to reviewing textbooks and arranging for substitute and student teachers.



Mr. Sykes listens to suggestions
for improvement of curriculum.

English Department Initiates Thematic Approach

Bayside's English department adopted the new Nebraska Curriculum this year in an effort to explore the value of a thematically-oriented course of study. No anthology was used; in its place were paperback books and theme-centered pamphlets. The remedial classes focused on contemporary problems and teachers attended a weekly city-wide seminar to gain insight into remedial teaching methods. Teachers of average levels of English worked all year on a new curriculum patterned somewhat after the thematic methods used in the superior classes. The '69-'70 school year was, for the English department, one of experimentation and change.

Music Promotes Self-Expression

This past year, the teaching of choral and instrumental music aided the development of student self-expression. The chorus section involved madrigals and other choral groups. Also this year BHS welcomed Mr. Rule, the new band director, as he guided the band through various sports halftime activities and concerts.

Home Economics Trains Future Homemakers

The goal of the Home Economics department was to produce efficient and productive homemakers. The students learned a wide range of household tasks including sewing, cooking, interior decorating, child care, and meal planning. Mrs. Thompson taught her students to put effective and creative ideas into their home planning through simulated circumstances.

Students Benefit From Foreign Fluency

Through foreign language studies, Bayside students had an opportunity to expand their knowledge of communication and of different concepts of life. Foreign language students were given the opportunity to select their foreign language from the offered courses in Spanish, Latin, German, and French. Two modern language lab facilities gave students the chance to match their linguistic abilites with native speakers. A special welcome was given to Miss Leyendecker, an exchange teacher from Germany, who added an enriched understanding of foreign culture.

Social Studies Stresses Current Events

In an effort to make more students aware of their political surroundings, the Social Studies department related the past to the present by incorporating current events into the curriculum. Also the department adopted courses of modified government and history to allow some students to move at a slower pace. Also many other new ideas were brought to the department by Mr. Ginn, Mrs. White, and Mrs. Sanders, newcomers to Bayside.

Basic Scientific Principles Are Taught

Bayside's science students enthusiastically began the year eager to gain better understanding of the world around them. Biology, chemistry, and physics gave them an opportunity to explore the various fields so that each student would have a basic knowledge of the scientific principles involved in life. To aid in this practical study, new aquariums were added to the already well-equipped biology lab. At the same time chemistry students probed the basic foundations of the physical world, while physics students explored the realms of light, sound, and motion.

Equipped with slide rules, compasses, and protractors, the BHS math students faced the bewildering world of equations, planes, and formulas. The math department strove to produce logical and orderly thinking through the organized science of math. The math program included Algbra I, geometry, Algebra II, trigonometry and math analysis. With the addition of four new courses—Math III, Math IV, calculus and consumer math—the math curriculum was adapted to meet requirements of all students.

Physical Education Offers Rewards

Sore muscles and aching bones were the painful rewards of students as they explored their physical capabilities. With the Junior High using the gym facilities too, conditions were crowded, but the objective of the Physical Education department was still achieved: the students learned good sportsmanship and maintained agile body tone. The goal was accomplished through track, hockey, football, basketball, gymnastics, softball, and baseball. Thus the students were offered a wide field in which to test their abilities.

D.E. Students Meet the Public

A sales boom this year was an excellent indication of the ability of Distributive Education students as they tried their newly acquired skills. The Distributive Education program gave students the opportunity to gain practical experience in the business world by leaving early each day to work in the Virginia Beach area. Each D. E. student then was offered the opportunity to find his place in the business world.

Business Equips Students For Future

This year the Business Education department was expanded to include a course for clerk-typists. It was a double period, double-credit course offered experimentally to juniors and seniors this year. According to Miss Hechtkopf, Department Chairman, the course instructed the students in typing and related subjects such as operating business machines and secretarial filing. Practical education of this type helped the students realize talents that would aid them after graduation.

ICT Offers Wide Range of Employment

The Library Is The Focal Point For Knowledge

The quiet atmosphere of the library provided a place where students could do research for a paper or relax from classroom tensions. Counselors Aid Students in Career Selection

With a decrease in the size of the student body, the guidance counselors had the opportunity to offer all students special counseling concerning their present course of study and to prepare them for their educational future. Staff Runs BHS Efficiently

Bayside was extremely fortunate to have such an able staff to care for the school's needs throughout the year. The secretaries managed office concerns, and Mr. Van Kleeck and his associates kept Bayside in order. Mrs. Dowding cared for the students' health, and Mrs. Kovacs ran an efficient cafeteria. Bayside owed a great deal to these outstanding individuals who aided the students throughout the year.

Marsha Ellis Chosen 1969 Homecoming Queen

Homecoming Week, the first big event of the school year, was held October 6-10. "B" day, Beanie Day, Alumni Day, the announcement of the court, and the Quiet Day pep rally, which was won by the spirited Juniors, all led up to the big game against Deep Creek.

This year the court consisted of seven girls. They were Seniors Pam Braswell, Marsha Ellis, and Susan Scott, Junior Chris Owens, Sophomore Ann Tarkenton, and the two Deep Creek representatives Kathy Slapikas and Sherry Sedath.

Friday night the Marlins hosted the Deep Creek Hornets for the Homecoming game. In a tough battle the Marlins lost to the Hornets 14-8, when Deep Creek scored in the last six seconds of the game.

During the half-time ceremonies Miss Marsha Ellis was crowned 1969 Homecoming Queen.

Successful Projects Enliven BHS

Outstanding projects of Bayside organizations provided variety for student life. Major events were results of joint efforts such as the Key-Keyette Slave Sale and the powderpuff football game.

The Slave Sale, an annual fund-raising project required each member of the Key and Keyette Clubs to obey his master for two days.

Sigma Theta Delta Senior Tri-Hi-Y and Honestate Tri-Hi-Y clashed in a powderpuff football game which had varsity football players as officials.

Mock elections became a competitive interest between Cox and Bayside students. The SCA sponsored an assembly in which candidates for state offices presented campaign speeches and ideas on specific problems of Virginia.

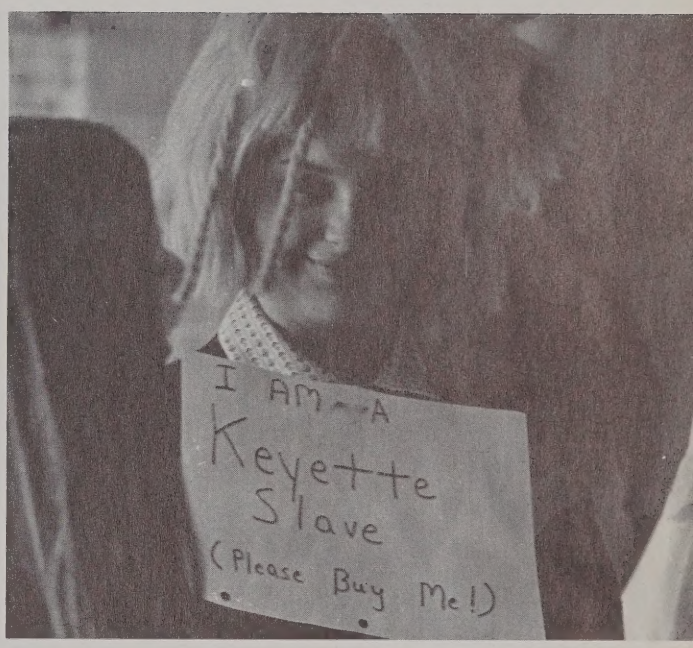
Even the auctioneers share the spotlight at the Keyette-Key Club Slave Sale.

Connie Jimerson (24) seems to think that, for girls, the game is getting a little rough.



Some Keyettes drop a few hints concerning their availability.

Poised and gracious, the powderpuff cheerleaders anxiously await the game's outcome.

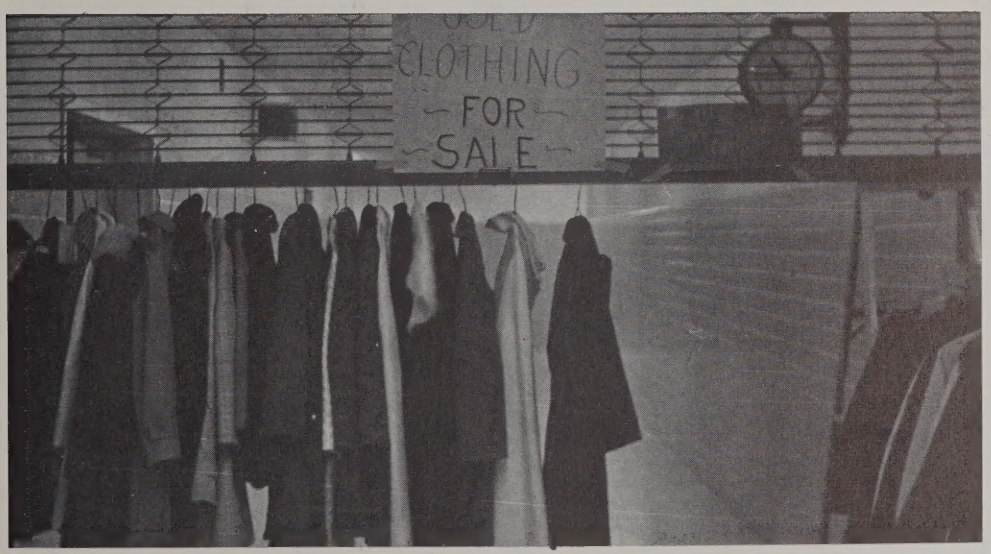
Continuing its successful reputation, the annual Silver Bell Ball was co-sponsored by the Key Club and Keyettes. The "Inner Soul" not only provided the music, but also offered unique entertainment by encouraging the dancing couples to form a Soul Circle. Ingenuity and hard work displayed in the decorations created a distinctive atmosphere.



The Keyettes and Key Clubbers have a great sense of humor.

Drama Survives *Hello Dolly!* Crisis

Hello Dolly! headed the bill of entertainment through '69-'70. In presenting this musical, the Bayside Troupe of International Thespians became the first high school to perform the play.

Cancelling the play for a prolonged period because of a professional presentation intensified the excitement leading to the long-awaited performance.

A theater program for children was started by Bayside's drama group; among their performances were *A Christmas Carol* and *Sleeping Beauty*.

"Stand up—and March! March! March!"

Marcia Wells Crowned Queen Mariner V

Sponsored by the Annual Staff, the fifth annual Queen Mariner Dance proved to be successful. The court consisted of six representatives. The attendant chosen by the Sophomore class was Alda White. Elected by the Juniors were Linda Gordon and Helen Kalaninsky. Three Senior representatives were selected; they were Pam Braswell, Patty Scott and Marcia Wells, one of whom was to be chosen Queen Mariner V.

Excitement mounted as the time for the long-awaited announcement drew near. Finally, Mr. Sykes proclaimed Marcia Wells Queen Mariner V.

Graduating Class Collects for ALSAC

Returning to Bayside for their last year, members of the class of 1970 led the school in their varied activities. As a class they collected for ALSAC, sponsored bonfires to encourage spirit at football games, provided special sections for Seniors at home games, and gave flags to each homeroom. During the year, plans were made for future training and education, college applications were mailed, and acceptance was nervously awaited. In the early spring, the Senior class presented the annual Miss Bayside Pageant. The decision-filled year was climaxed with the long-awaited Prom, held on May 22, 1970, and graduation on June 12, 1970.

Crusaders Lead School In Spirit

Spirit was the hallmark of the crusading class of '71. Early in the year the Juniors astounded all Bayside by accomplishing a rare feat: they beat the Seniors at the Homecoming pep rally and thus won the nearly seventy-dollar prize money collected during Quiet Day. Not only class spirit, but also school spirit was spurred by the Juniors' overwhelming representation in most varsity sports. Academically, the class of '71 was faced with the exhausting PSAT and college board examinations, but activities such as the Junior class dance the night of the PSAT's helped everyone relax. The rest of the year was studded with spirit chains, more dances, pickle sales, and other money-making projects. Much of the money then helped the Juniors afford the traditional Ring Dance that was the culmination of a spirited year.

Class of '72 Sells Student Directories

The class of '72 had an industrious Sophomore year sponsoring numerous projects and activities. To begin the year, they sponsored a dance honoring the football team. The Sophomores took charge of selling the much-used student directories and the class pins. As a committee service project, the Sophomores gave a Christmas party for the orphans at Saint Mary's Infant Home. The class of '72 ended a memorable year as a unified class with an ambition to be best.

Carol Erickson Leads SCA

Many SCA projects made the year rewarding. The Spirit Jug, which was awarded to the organization with the greatest amount of enthusiasm, aroused competitive spirit during game weeks. As a money-making project, the SCA Variety Show provided entertainment for students. Just before the Christmas holidays, the homerooms competed in an annual Door Decoration Contest. Honors Assembly and the SCA Banquet climaxed another successful year for the Bayside SCA.

Cox-Bayside Faculty Game Benefits Joy Fund

SCA activity began on August 28, 1969, when 'Meet Bayside Day" was held for the newcomers to Bayside. The next project was a successful magazine sale, which helped to finance Homecoming on October 10. Competition with Cox motivated Bayside spirit through a competitive food drive on December 10. The SCA also sponsored mock elections for state officials.

Mr. Rule Named New BHS Band Director

The Marching Marlins began the new season under the direction of Howard R. Rule, in his first year as Bayside's band director. The band performed extremely well during half-time activities at all home games. As an honor for a first place band, the Marching Marlins were asked to participate in several parades, many of which were competitive. Bayside also sent some advanced members to take part in a Band Clinic held in Morehead City, Kentucky. The Marching Marlins presented their annual Christmas Concert and played for graduation.

Madrigals Perform at Pembroke Mall

The Bayside Madrigal Singers enjoyed the honor of performing for the first time for the Optimist Club's Outstanding Teenager of Tidewater Award Dinner in October. The highlights of the Christmas season included performances at Pembroke Mall and several local churches. The Concert Chorus, Girls' Chorus, and Madrigal Singers joined the Band to present the annual Winter Concert. Bayside participated in the All-Regional Chorus again this year by sending sixteen chorus selected by audition. The Concert Chorus toured the local churches with *Requiem* by Fauré. The Chorus department completed its season with the presentation of the annual Spring Chorus Concert, a part of Bayside's first Fine Arts Festival.

Staff Works Long Hours on *Mariner*

Taking pictures, writing copy, meeting deadlines, and sponsoring the annual Queen Mariner Dance comprised a laborious year for the yearbook staff. The staff consisted of an enlarged membership of energetic workers. Led by co-editors Pam Braswell and Phyllis Meyer, many obstacles were met and overcome. Finally, after many hard working days and nights, the arrival of the *Mariner* was met with pride and a sense of achievement.

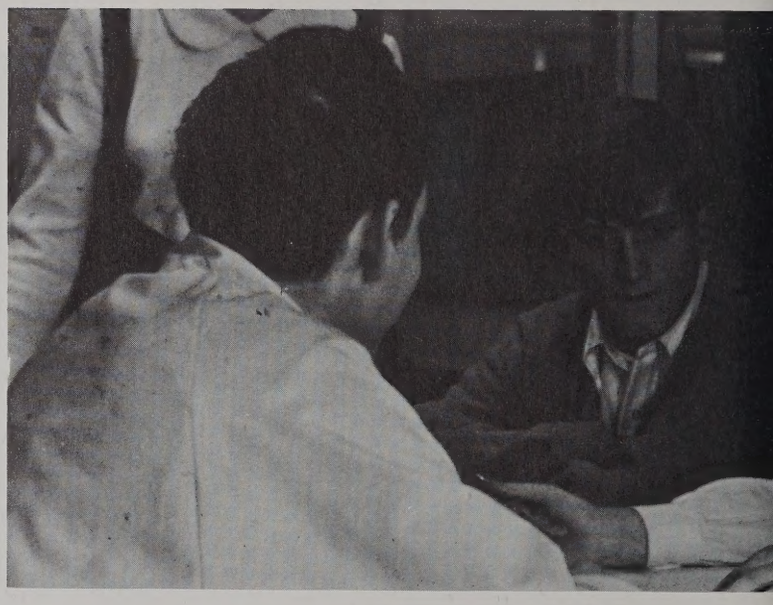
Marlin Messenger Brings News to Bayside

The staff of Bayside's newspaper, the *Marlin Messenger* was comprised of senior high students with an interest in journalism. Members of the staff, headed by Chris Baxter, collected news of recent events and club activities. Six issues of the *Marlin Messenger* resulted from earnest efforts to keep Bayside students informed.



Newspaper staff works diligently to meet their deadline.

Sr. Committees Plan Class Projects

The graduating class of 1970 made the most of their superiority through interest in school and class activities. The Seniors sponsored the Miss Bayside Pageant and its committee worked diligently for success. Graduation and the Senior Prom were to the satisfaction of class members through participation in planning.

Junior Committees Work for Class Development

As Bayside became a senior high, the upperclassmen began to vie for superiority. The Junior and Senior classes continuously battled with projects and challenges. The Juniors enjoyed exclusive advantages such as the Ring Dance. A committee was formed for this event, and along with a dance committee and a publicity committee, the Juniors established themselves as a threat to the Seniors.

Sr. Honor Society Sponsors Car Bash

Scholastic capability and an interest in school activities were characteristics of each member of the National Senior Honor Society at Bayside. The group offered tutoring service to any interested student. In joint effort with two other clubs, Bayside's Senior Honor Society sponsored an orphan overseas. A car bash and a dance later in the year financed many of the club's activities.

Jr. Honor Society Holds Beach Party for New Members

Members of the National Junior Honor Society were selected by a faculty committee from the 8th, 9th, and 10th grades on a basis of character, scholarship, service, citizenship, and leadership. All members were required to maintain a "B" average to remain in the club. Along with the Spanish Club, the Jr. Honor Society supported a Spanish orphan. To promote school spirit, the club sold confetti at the Princess Anne football game. Several bake sales were held to boost the club's treasury. They climaxed the year by holding a beach party in May to honor all old and new members.

German Club Co-Sponsors Christmas Banquet

Having the same interest, members of the German Club met to share fun moments and new learning. Besides advancing their knowledge of the language and customs of the country, the club joined with similar groups to trade ideas about the foreign cultures. The German and French Clubs joined to hold a Christmas banquet. The group also made and sold Christmas stars out of special straw Mrs. Leyndecker had sent from Germany.

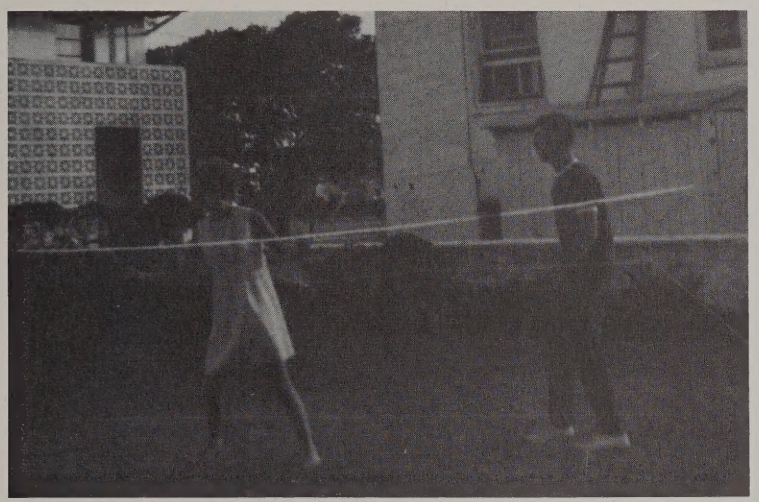
"If they don't hurry up, we'll just eat without them!" complain French Club members.



"It's about time that you got one, Martha!" applauds Charlie Queen at a French Club party.

Le Cercle Francais Sells French Valentines

Le Cercle Francais examined French culture as compared with American culture. By learning to understand people of another culture, the BHS students felt they could better understand the world. *Le Cercle Francais* held various events, all in French style. They had a Fete de St. Catherine, put on a puppet show for a children's hospital, and won the spirit jug by making a kiosque. Other projects included the selling of flowers and French valentines, the April Fool Contest Banquet, and a French-German Christmas party.

Latin Club Celebrates Feast of Saturnalia

Under the supervision of Miss Gutermuth, the Latin Club held their annual membership drive, and then old and new members joined forces to raise money through doughnut sales and car washes. At Christmas time, members baked various treats for the teachers and they also celebrated the Roman feast of Saturnalia by building a paper-mache replica of Saturn. Again in keeping with the Roman theme members performed a play on the Ides of March in remembrance of Julius Caesar.

Front Row: D. Bruso, B. Clark, F. Elliot, D. Barnes, M. Smith, M. Brake, P. Turner, C. Werner, L. Larry, Miss Gutermuth—Sponsor.

Straw Flowers Sold by Spanish Club

"El Club de Espanol," Bayside's Spanish Club, devoted most of its time and efforts to money-making projects which were the selling of doughnuts and straw flowers. Throughout the year an orphan was supported, an effort which brought a special fulfillment to each member of the club. During the holiday season, the club went caroling as a group.

FBLA Promotes Business Careers

The Future Business Leaders of America attempted to introduce to the business-minded student the vast opportunities, challenges and rewards offered by a career in the business field. Under the sponsorship of Mrs. Chesson, members of the F.B.L.A. were prepared to meet the business world through the club's various projects. These activities included serving as hosts at Parents' Night, preparing Christmas cards and puzzles for hospital trays, visiting the children's hospital and having an Easter egg hunt for underprivileged children.

FTA Presents Scholarship to Deserving Student

Interest in an educational profession was the basis of the Future Teachers of America. Because of the lack of a sponsor, the FTA got off to a late start. In spite of this, FTA members held bake sales, rummage sales and car washes to add funds to their treasury. At the end of the year this money was used to present a scholarship to a deserving student.

Christmas Trees Sold by AEC

Bayside's Atlantic Ecology Club, headed by Tracy Holmes, took an interest in studying the fascinating world of nature. Out-of-town trips to the James River, Morehead City and Ocracoke, N. C., and the Florida Keys were scheduled in order that the students could observe specimens in their natural environment. As an aid on the excursions, the AEC renovated an old school bus and equipped it with beds, tile, carpeting, an aquarium, a stove and sinks. The exhibition of specimens and assistance to ODU graduates on collecting trips were the club's service projects. Money-making projects included the sale of Christmas trees and personalized rubber stamps.

Drama Teaches Theatrical Literature

The Thespian Society of Bayside performed in several events to promote and instruct techniques and literature of the theatre. Being the first group in Tidewater to start a theatre program for children, the Hurrah! Players appeared in *A Christmas Carol* and *Sleeping Beauty*. Full-length plays presented were *Our Town* and *Hello Dolly!* The drama group performed for many conventions, banquets, and pageants, which included an appearance in the Creed's Ruritan Show for the fourth consecutive year. Thespians attended local dinner theatres and planned their annual New York trip for fun.

New Shelving Gives Modern Look to Library

Bayside's student librarians were the unrecognized workers of Bayside High School. They worked diligently without academic reward to make the media center of Bayside one of the best in the area. Library rules and regulations were such that the library was made easily accessible to all students. Many new books were added to all classifications, and the librarians were proud of the shelving in the library which gave it a new look.

Art Club Constructs Fighting Marlin

The only requirement for joining the Art Club was an active interest in art. To start the year, members spent many hours working on the Fighting Marlin which was displayed at the Homecoming Game. To further their knowledge of art, they took a trip to Richmond to visit some of the many art galleries and museums. Later on in the spring, the club sponsored their annual art show, which again was an aesthetic and financial success.

Campus Life Strives for Christian Fellowship

This year there was a new club at Bayside. It was called Campus Life. A Christian belief was the only requirement for membership for any student wishing to join. At their first meeting, they invited Wayne Skinner to speak and help the club get organized. During the Christmas season, they had a caroling party. Throughout the year they held bake sales and doughnut sales and a car wash as a means to raise money to sponsor future projects.

HRC Promotes Racial Harmony

In an effort to improve human and racial relations, a new club was established last year. Bayside's Human Relations Council was an interested group of students, both black and white, who wished to participate in the betterment of racial communications. Bake sales, doughnut sales, and the sale of Christmas stockings financed the club's activities. Guest speakers lectured on points which widened the outlook of the group.

Riding Club Members Advance Equestrian Knowledge

Horsemanship was a mutual interest of the members of Bayside's Riding Club. Doughnut sales and bake sales, among other projects, financed regular outings to farms and ranches. The members, as a group, attended horse shows and gymkanas for both enjoyment and learning.

Judo Club Studies New Techniques

Bayside's Judo Club enjoyed its third year of participation in the ancient sport of Judo. Club members learned the use of skills to surprise and overpower any opponent regardless of size or strength. Dressed in gis, members practiced difficult throws, such as Tskui-Comi-Goshi and Tomoe-Nage. Through practice, these skills were learned and perfected by many members.

Drill Team Enchances Half-Time Activity

Bayside's Drill Team, noted for precision, represented the school in many area parades and contributed to successful half-time activities at home football games. Slumber parties added enjoyment and increased friendship within the group, but service projects, too, demonstrated the cooperative structure of the group. The team's major service project was the gathering of trash on the school grounds to improve the beauty of BHS.

GAA Sponsors Junior-Senior Basketball Game

The Bayside Girls' Athletic Association strove to create a growing interest in sports among themselves and others. A part of each meeting was devoted to sports activity. The Junior-Senior basketball game was sponsored by the GAA; car washes and bake sales contributed to their treasury.

Setting proper examples is hard to do, however the Monogram Club attempted to set such examples. Teaming up with the varsity cheerleaders the Monogram Club sponsored the annual End of the Season dance, closing the football season. New members meant initiation and the club secretly dealt with those who wished to enter. Striving to earn money, members sold spirit cushions which proved very profitable. With that and the income from the Ugly Man contest, the club members had enough money to enjoy themselves at their annual weekend trip to Hatteras.

Spirit of Bayside Bayside Sells Pep Ribbons

This year the Spirit of Bayside met on Thursdays to review the week's work. These meetings were busy with the making of pep ribbons which were sold for football games. Before home games the Pep Club could always be found decorating goalposts and hanging spirit chains. Some of their other projects were washing blackboards, putting goodies in the teachers' lounges, and putting up the Basketball Board to keep and record the scores of the games.

Key Clubbers Help Plan District Convention

Internationally sponsored, the Key Club worked with Kiwanis International and sent representatives to each meeting. Their services were varied; among them were the directing of traffic at Parents' Night and the cleaning of the stadium after each home game. Bayside's Key Club co-sponsored the Slave Sale and the Silver Bell Ball with the Keyettes. Competition among the district clubs in basketball and baseball ended another year of activity.

This was an industrious year for the Keyettes who were busy performing services and making money. Some of their projects encompassed such fields as cleaning and dressing dolls for Goodwill Industries, making "Be Thankful" posters, and giving valentines and a tea for the teachers. Money-making enterprises were delightful and imaginative. In cooperation with the Key Club, the girls held the Slave Sale and the Silver Bell Ball. An enchilada dinner and a car wash were among their projects, as was a Homecoming float which won third place. For the Kempsville game the Keyettes sold links to a spirit chain. The final product was 2,416 links long, the longest in BHS history.

Y-Teens Make Holidays Happier for Welfare Children

This year Alpha Delta Y-Teens began the year by making badly needed typewriter covers for the school. A Thanksgiving dinner was prepared for a family on welfare. At Christmas members made toys and stockings to make the holidays happier for deprived children, while the Easter holidays were marked by an egg hunt for the children. Later in the year a beauty contest was held with boys as contestants. Several bake sales, doughnut sales, and car washes were held to increase the treasury so that the club could sponsor more service projects.

Honestate Sells Homecoming Mums

This year as always, Honestate was a diversified service-oriented Tri-Hi-Y. They cleaned blackboards, served refreshments to teachers, gave Thanksgiving and Christmas baskets to needy families and supported an orphan. Having car washes, making basketball spirit chains, selling mums for Homecoming, and sponsoring their annual Flower Power dance put funds in their treasury. With competitive club spirit, Honestate's Homecoming float won second place and they challenged Sigma Theta Delta to an exciting powderpuff football game. Members gave at least five hours of work each week to better their club. Their efforts were reflected in the club's successful year.

Iota Donates Needed Clothing to Union Mission

Iota Sigma Epsilon was founded on Christian principles and was nationally affiliated with the YMCA. The club was open to any high school girl maintaining a "C" average. On Halloween they put candy in the teachers' lounges. The members gave a needy family a basket of food at Thanksgiving and donated clothing to the Union Mission. At least once a month they attended church as a group. To conclude its busy year, Iota sponsored its annual Sadie Hawkins dance.

Sigma Theta Delta Wins Spirit Jug for Homecoming Week

Creativity and enthusiasm characterized Sigma Theta Delta's year. Occupied with making Christmas baskets, sponsoring the Miss Marlin Pageant, and selling stationery, this Tri-Hi-Y accomplished its varied projects. Displaying originality during Homecoming week, Sigma Theta's members became "booster buddies" to the football team. As one of the most spirited clubs at Bayside, they won the Spirit Jug several times, made spirit chains, and received first place for their Homecoming float. One of the highlights of Sigma Theta's year was the victory over Honestate in the powderpuff football game.

Kappa Sigma Chi Co-Sponsors Valentine Dance

Kappa Sigma Chi Hi-Y has been recognized in previous years as a number one money-making club. Theta Chi Holds "Turkey Day Safety Check-Up"

Completing its third successful year at Bayside, Theta Chi has proved to be a club which displays Christian fellowship along with friendship and service. Early in the year, Theta Chi had its annual "Turkey Day Safety Check-up." Members arrived at school early to check the tire pressure and clean the windshields of the teachers' cars. This was beneficial to many teachers off on holiday trips after school. In the spring Theta Chi held its annual OX night. Proved to be a classic last year, it was twice as good this year. At the end of the year, the group trekked to Hatteras for a vacation celebration.

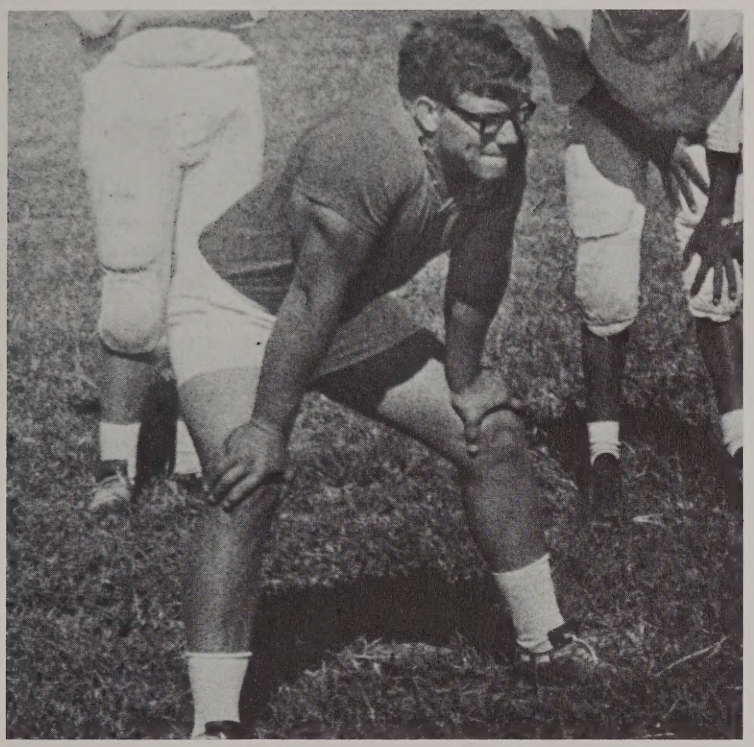
Bayside Opens '69 Season Under New Coaching Staff



Bob Biddle, Offensive line

Along with the beginning of the new school year came the start of a new football season. This was to be an important year for Bayside in that it had an all new coaching staff. Heading the Marlin staff was Coach Bob Hicks, formerly of Oscar Smith High School. Offensive backs were under the wings of Terry Morton and defensive backs were under the stern will of Charlie Jackson. Defensive linemen were coached by Randall Harris, while "Baguba" Bob Biddle coached the offensive line.

Returning to the football field for Bayside this year were nine lettermen. Among those returning were guards Mike Maziarka and Tom Hazelbaker, punter Rob Chester, and Sophomore quarterback Tom Chipok. Union Kempsville's contributions of Neal Floyd and Gene Hollomon were a definite asset to the team.

The strong point in '69 was defense. What the "Mighty Big Red" lacked in size they made up for in speed. In many of the games, defense proved to be the deciding factor.

Junior Lance Platz Gains Over 100 Yards Against First Colonial

The Marlins began their season with disappointment, losing to Cox 18-6. The Falcons jumped into an early lead with two quick touchdowns before the Marlins could manage to score. Bayside marched within the Falcons' ten yard line several times in the first half, but failed to score on each occasion. The Marlins finally penetrated the Falcon defense late in the third quarter for their only score.

The following week the Marlins hosted the Comets of Granby in the first home game of the season. Throughout the night both defenses dominated the game, but late in the fourth quarter Granby managed to squeeze through the Marlins' line for eight points, the only score of the game. The Marlins' only scoring threat came in the third quarter when they advanced to the Comet twenty-three yard line only to be halted by a stubborn defense and a series of penalties.

Despite the hard running of Lance Platz, the Marlins fell to the Patriots of First Colonial 52-14. Platz, a junior halfback who raced for one hundred yards and one score, was the workhorse for the Bayside offense. The Marlins fell behind by four touchdowns in the first quarter and were unable to overcome this lead.

Bayside Ends Losing Streak— Victory Over Kellam

Then it came! After the 52-14 romp by First Colonial, Bayside snapped back with a 12-6 upset over favored Kellam. The Marlins drew first blood when quarterback Tom Chipok scrambled three yards into the end zone for the first score of the game. Kellam bounced back with a second quarter score, ending the half at 6-6. The Marlins opened the second half with a seventy yard scoring drive which was the result of the hard running of Lloyd Bohn and Lance Platz. Kellam drove to the Marlin twenty yard line late in the fourth quarter, but a mighty defense held the Knights, ending the game with a 12-6 Bayside victory.

At Homecoming Bayside, looking for its second win, met Deep Creek High. The Hornets scored quickly in the first quarter while the Marlins had trouble getting started, losing the football three times on fumbles. A mighty defense, however, held the Hornets on each occasion. Late in the fourth quarter, the Marlins tied the game at 8-8 with six seconds left. The Hornets had time for one play, and stung the Marlins with a thirty-three yard scoring pass, ending the game 14-8.

Bayside faced the Maury Commodores in a late afternoon game at Foreman Field. Coming out in a primarily passing offense the Marlins were able to keep up with the powerful Maury team for most of the first half. Late in the second quarter, however, Bayside's Donnie Schell was trapped in the end zone for a Maury safety. This resulted in a half-time score of 2-0. In the third quarter Maury scored twice; Bayside could only manage to score once during the game. The Marlins finally gave in to the Commodores 16-6.

Marlins' Season Ends in Disappointment

The first play of the game made it look like Bayside would be in for a long night. Lake Taylor received the kick-off and scored on the first play. The rest of the half, however, belonged to Bayside. Scoring the first two times they got the ball, the Marlins jumped into a 14-7 lead at half-time. The tide turned during the second half as Bayside fell behind. Marlin passes were being picked off by Titan defensive backs. Unable to score in the second half, Bayside fell to the Titans 27-14.

After arriving at Norview Bayside had difficulty throughout the game. As Bayside was unable to stop the running of Larry Stepney, the Pilots seemed to run at will against the Marlin defense. Late in the third quarter Sam Craig intercepted a Norview pass on the Bayside six and raced ninety-four yards for the Marlins' only score of the game. At the end of the game the Pilots had tallied 56 points to Bayside's 6.

Hosting the Cavaliers of Princess Anne, Bayside began its highest scoring game of the season. Scoring first, PA looked strong, but the Marlins began a drive from their own thirty which ended in a Chipok to McCullough scoring pass. Princess Anne scored again and again, but Bayside retaliated each time. This scoring progression continued throughout the game, becoming a contest of the offenses. Just before half-time the Marlins came within six points of the Cavaliers with a forty-two yard Chipok to McCullough pass. In the third quarter PA scored twice before Bayside could score again. The Marlins scored their last touchdown on a drive covering sixty yards in eight plays. At the end of the game, PA was on top 38-28.

Traveling to Kempsville for the last game of the season, the Marlins looked to close the season with a victory. Starting out full of spirit, the Marlins scored on their first drive, however Kempsville scored late in the second half, ending the half 8-8. The second half did not go well for Bayside. After scoring in the third quarter the Chiefs kicked to Bayside, recovered the fumbled kick-off, and scored again five plays later. This happened several times during the second half. The Marlins finally held on to a kick-off but failed to move the ball and were forced into a punting situation. The Chiefs scored again, ending the game 34-8.

Bayside's defense holds Kempsville on crucial third down play.

J.V. Football Ends Long, Disappointing Season

The junior varsity football team had troubles this season. Playing mostly sophomores, the team served as a reserve squad for the varsity.

A strong sound team, the baby Marlins could only break the ice a few times, defeating Western Branch and Kempsville.

Always playing a good game, the J.V.'s seemed to sputter out in the fourth quarter when the other teams seemed a little stronger.

Despite this disappointing season the varsity profited from the prospects coming from the J.V.

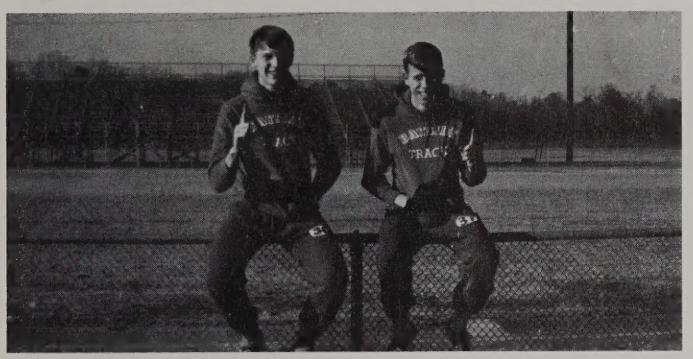
Cross Country Captures Eastern District Championship



Co-captains Carl Chapman and Gary Arnett proclaim, "Bayside's number one!"

Track was off to a good start at Bayside this year. The cross country team, under the direction of Mr. Woody Daly, won the Eastern District championship. They ended their regular season with a 5-1 record, losing to Cox by only two points.

Besides ending the regular season as number one in the district, they performed well in two invitational meets and went on to place ninth in the Eastern Regional meet.

Hockey Team Boasts Winning Season

With the return of many players from last year's Hockey squad and the addition of several skilled newcomers, the team was able to profit from experience and hard work. Combining enthusiasm with determination, the team compiled a 7-2 record, finishing the 1969 season second in the league standings.

Their success on the field continued after the regular season ended. Playing in the Tidewater tournament, the team crushed all of its opponents. For the first time three Bayside players placed on the tournament's first and second teams. Susan Wagner and Beth Cobb earned berths on the first team; Millie Downing placed on the second team.

Team members huddle for last-minute instructions and pre-game cheer.

Three Lettermen Return to Varsity Basketball

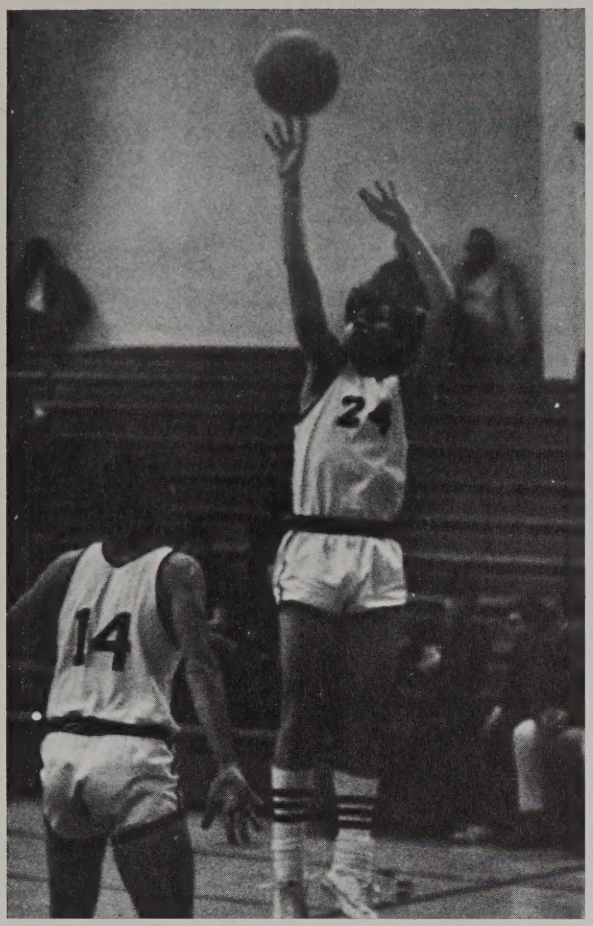
Like any other team, the Marlins' varsity basketball team experienced defeat as well as victory.

Practice began in November on a pessimistic note. With only three players, Seniors David Groth, Harry Jackson, and "Rabbit" Woodhouse returning from last year's varsity team, Coach Conrad Parker was faced with the problem of rebuilding. Fortunately many of the players had been on last year's J.V. team, so there was not a total lack of experience.

In addition, Union Kempsville transfer Leroy Fletcher proved himself to be not only an aggressive player on the court, but also a great source of moral support while on the bench.

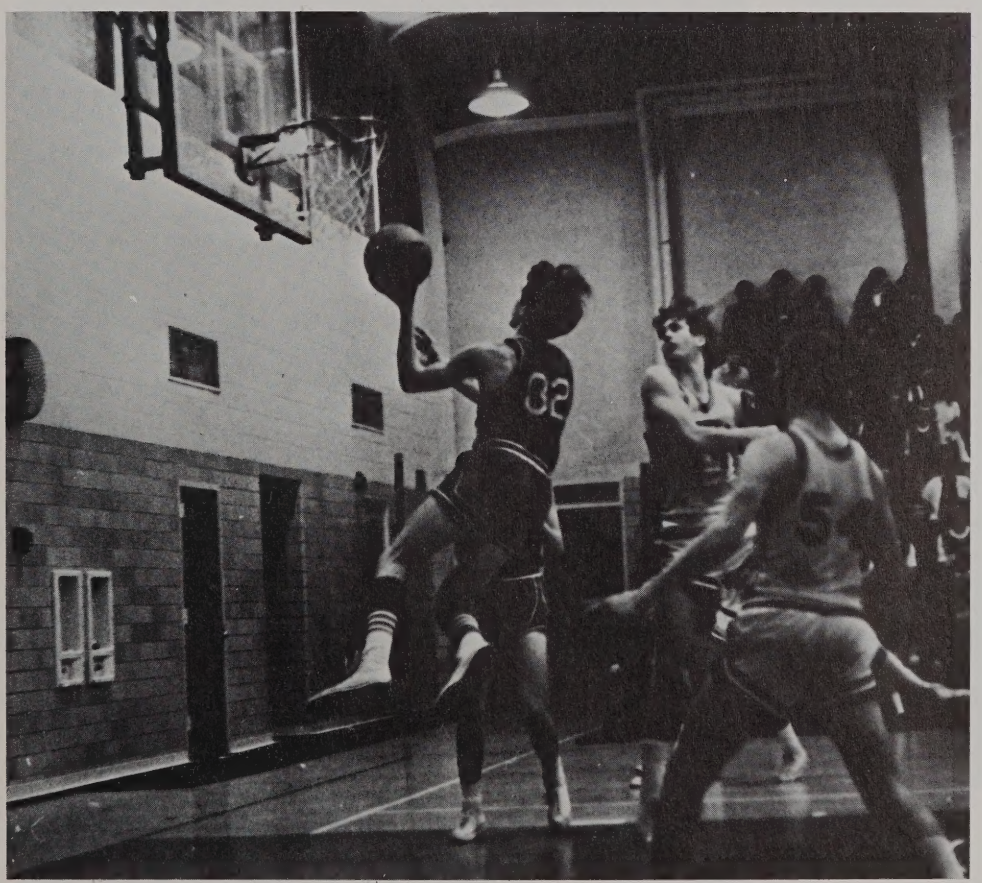
The team's loyal fans were rewarded on January 7 when the Marlins defeated Deep Creek by a score of 57-54. It was the team's first victory in thirty games.

While Kempsville player looks on, Leroy Fletcher (21) nets two.

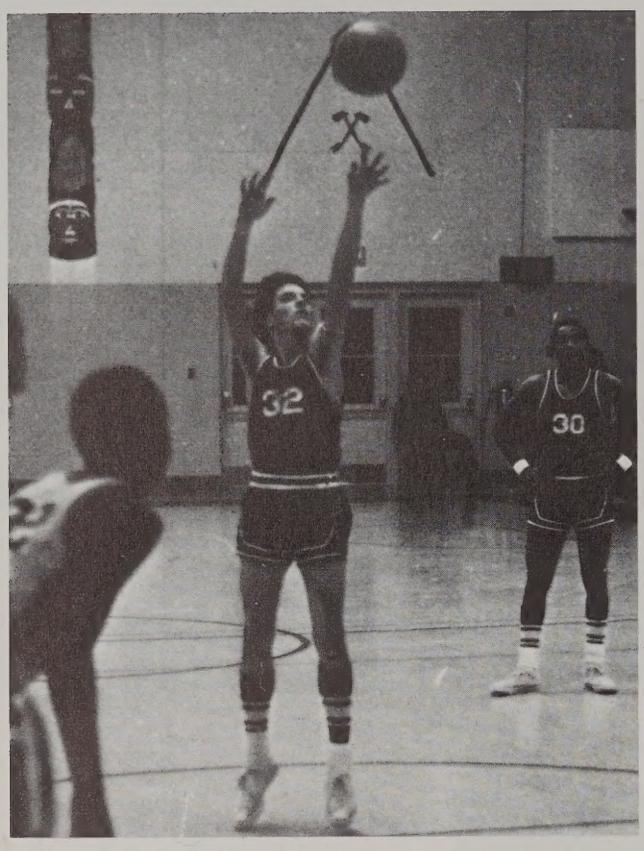


Screened by teammate, Mark McNair (40) releases jump shot.

Leroy Fletcher (21) fakes to the left before passing off the ball.



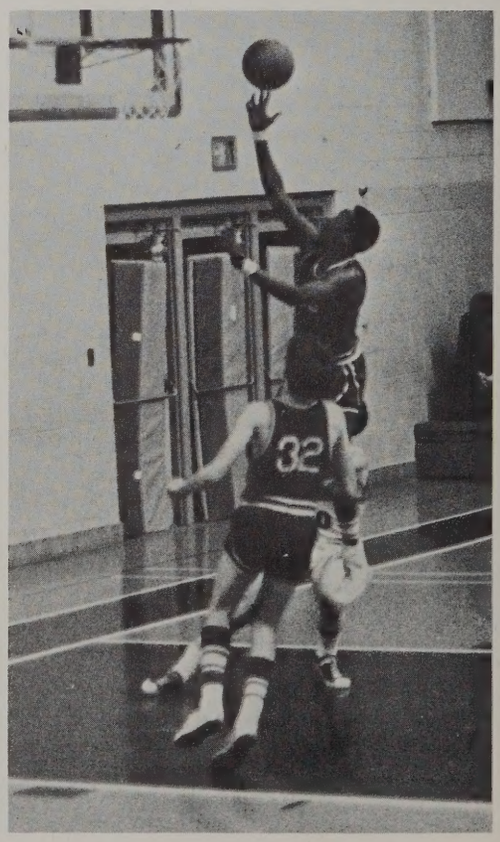
Co-captain Harry Jackson (32) eludes Deep Creek defenders for an easy lay-up.



Harry Jackson (32) adds another point from the foul line.

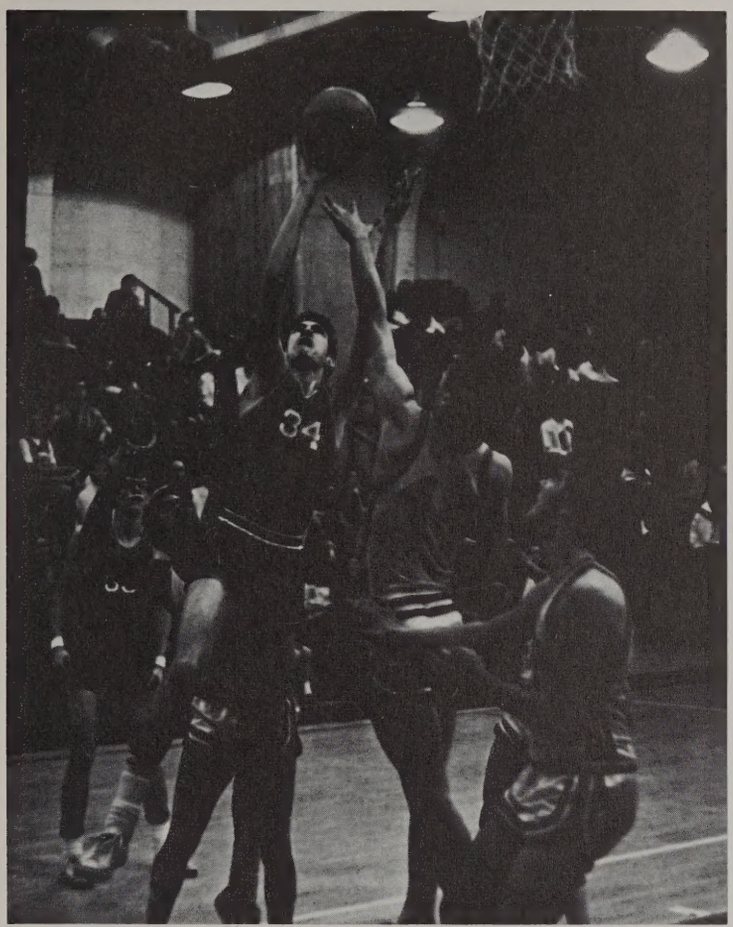
Co-captain David Groth (40) makes lay-up against Kempsville.

David Groth (40) takes an outside shot against Deep Creek.



Rabbit Woodhouse (20) lays it up for two.

Marlins Avenge Kempsville, Lake Taylor Losses



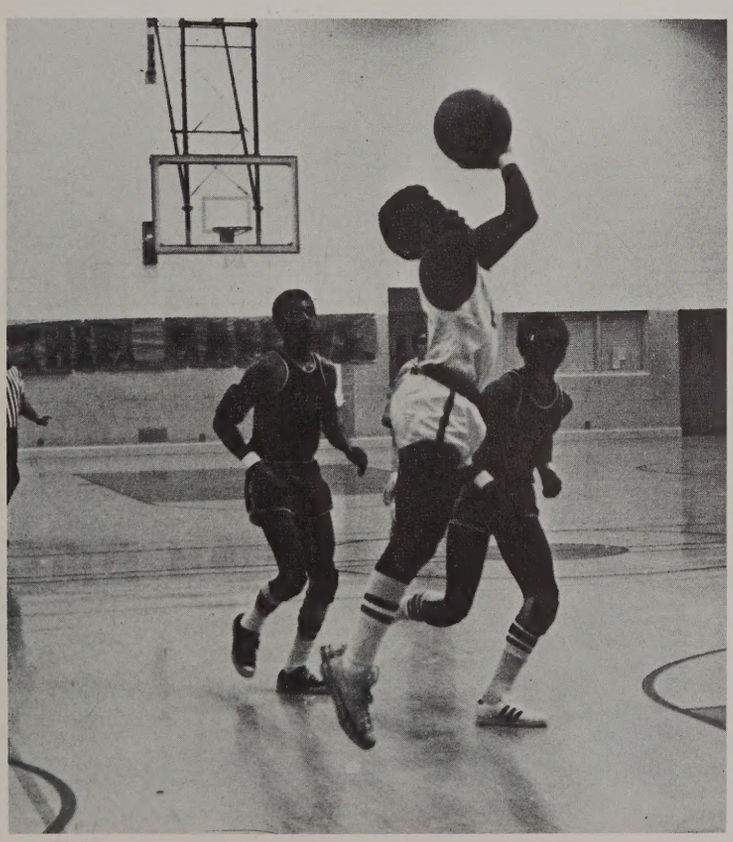
Towering over Deep Creek defenders, "Stick" Lawson shoots for two.

The most disappointing blow of the season was dealt by Lake Taylor. Throughout the game the lead changed hands many times until the fourth quarter when the Titans slipped by the Marlins 60-58.

Bayside clashed with the Titans again, about two weeks later, with different results. Almost a carbon copy of the first game, the score was tight until the final two minutes of the game when outstanding clutch foul shooting won the game for the Marlins 72-63.

The first clash between Bayside and Kempsville ended with Kempsville's barely defeating the Marlins by a score of 38-36. The second game found the Marlins fired up and ready for vengeance. The lead went back and forth during the first half, but the half-time score showed the Marlins ahead by one point. The second half was also close, but in the end the Marlins scalped the Chiefs 62-56.

Rabbit Woodhouse (30) follows through on a fundamental bounce pass.



Leroy Fletcher (10) sinks a well executed jump shot.

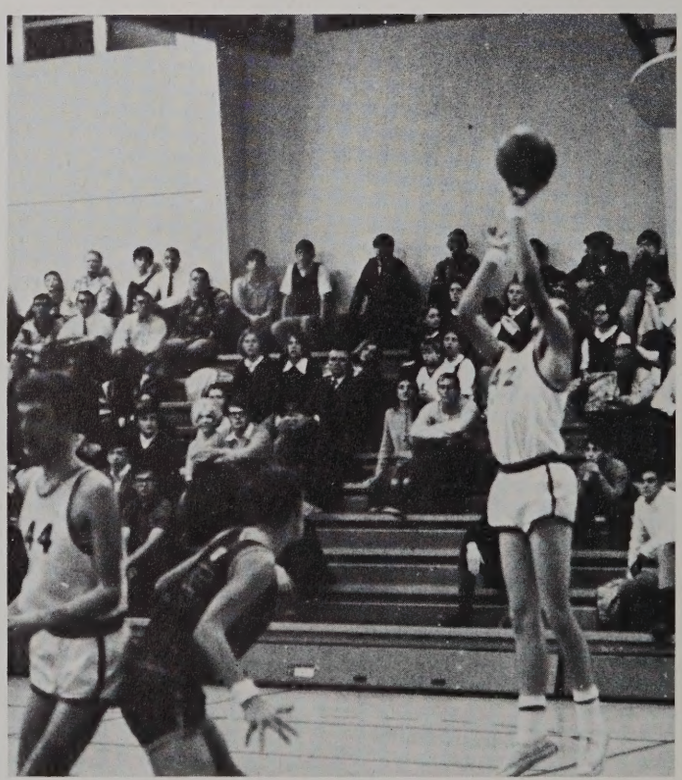
Bayside Holds Michaelsen, Ebron to Twenty-four Points

Bayside's defense faced its toughest test against the state's two top scorers: Ricky Michaelsen of Princess Anne and Booker T. Washington's Roy Ebron. The Marlins passed this test with flying colors, holding both Michaelsen and Ebron to twenty-four points each. Michaelsen was held to four points from the floor, both field goals coming late in the third quarter. Foul shots accounted for his other twenty points. Princess Anne won the game 94-60, but the Cavaliers did not find the easy game they were looking for at Bayside.

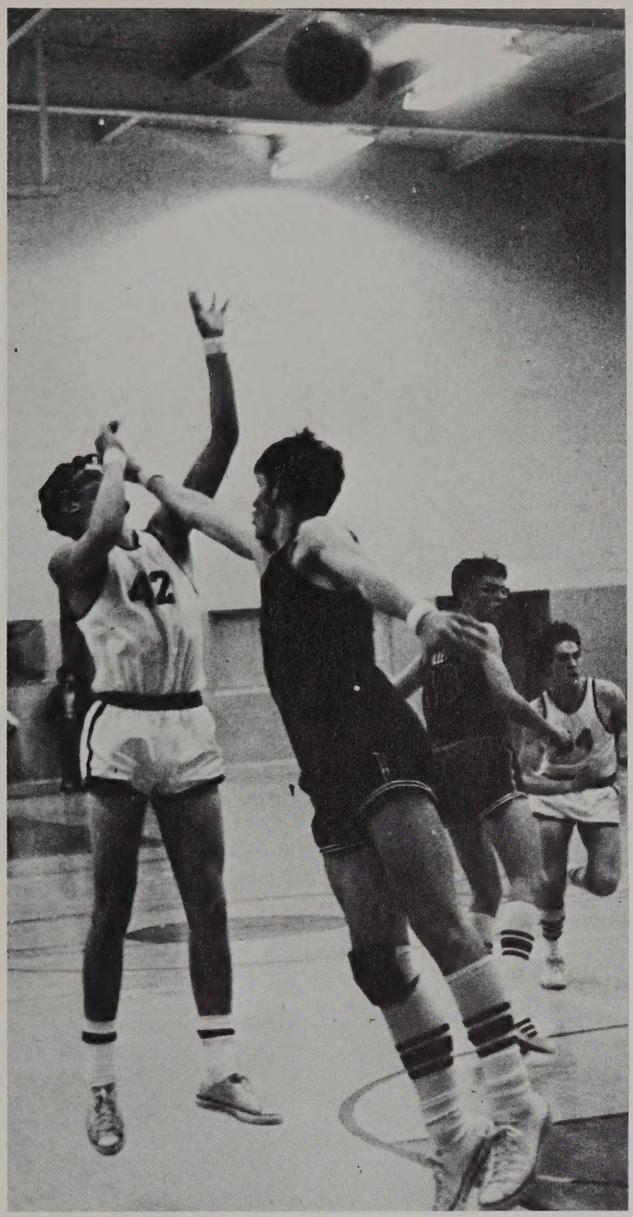
The Marlins met the Bookers of Washington High the same week they faced P.A. Once again the Bayside defense proved its ability to meet any challenge.

Leroy Fletcher (10) drives in for two against Princess Anne.

Leroy Fletcher (10) breaks through P.A. defense for score.



Richard Poole (42) takes a twenty-footer from the corner.



Despite harassment by P.A.'s Ricky Michaelsen, Richard Poole (42) still completes his jump shot.

David Groth (40) battles for rebound against Deep Creek.

J.V.'s Tie Last Year's Record

J.V. basketball developed well this year considering that all but a few sophomores moved up a step to the varsity. Leading the team in scoring was Robbie Cook with a thirteen point per game average.

They began the season slowly, losing their first few games, but after working together, succeeded in defeating Deep Creek, Lake Taylor, and Kempsville.

High scorer Robbie Cook (31) adds two to winning effort against Deep Creek.

State competitors Mike Maziarka, Jimmy Witt, and Eddie McCullough.

Success was the word for the indoor track team. They won three of their four dual meets and placed fourth in the district. Numerous records were broken. Among these were high jump, pole vault, and the mile relay. Bayside sent three representatives to the state competition at Lexington. They were Mike Maziarka, Eddie McCullough, and Jimmy Witt who placed second in the high jump competition.

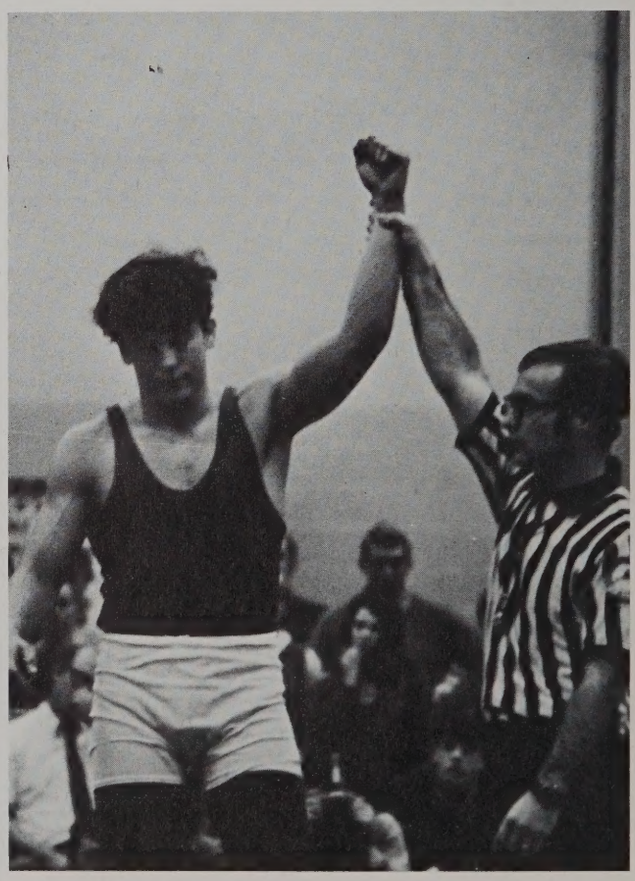
Marlins Rate High in State Wrestling Competition

Although his team was plagued by injuries and shortage of depth, Bayside's new wrestling coach, Mr. Weaver, presented a strong show this year. The Marlin matmen ended the '69-'70 season with a 5-7 record.

Bayside was well represented at the Eastern District match which qualified nine Marlin wrestlers for the Eastern Regional meet.

Undefeated Todd Gallagher earned the top spot in the district match and then went on to win the regional crown one week later. In the regional meet the Marlins compiled thirty-three team points, finishing eighth in a field of twenty-four schools.

Four Marlin wrestlers, Todd Gallagher, Ricky Daniels, Stan Harris, and Edmond Hawkins, because of their ranking after the regionals, earned the right to participate in the State tournament. Todd Gallagher brought home fourth place honors in his weight class. As a team, Bayside's four representatives placed nineteenth out of forty-nine participating schools.



Referee declares Todd Gallagher the winner of the regional crown.

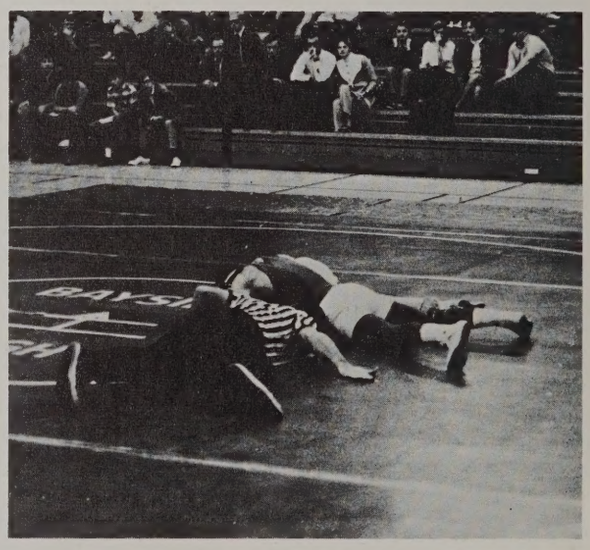
J.V.s Earn Best Record Yet

This year's J.V. wrestling team swept ten teams under the mat to obtain its best record in its brief existence: 10-1-1. The coaches, Mr. Weaver and Mr. Hicks had high hopes of building a strong varsity with the aid of some strong Sophomores.

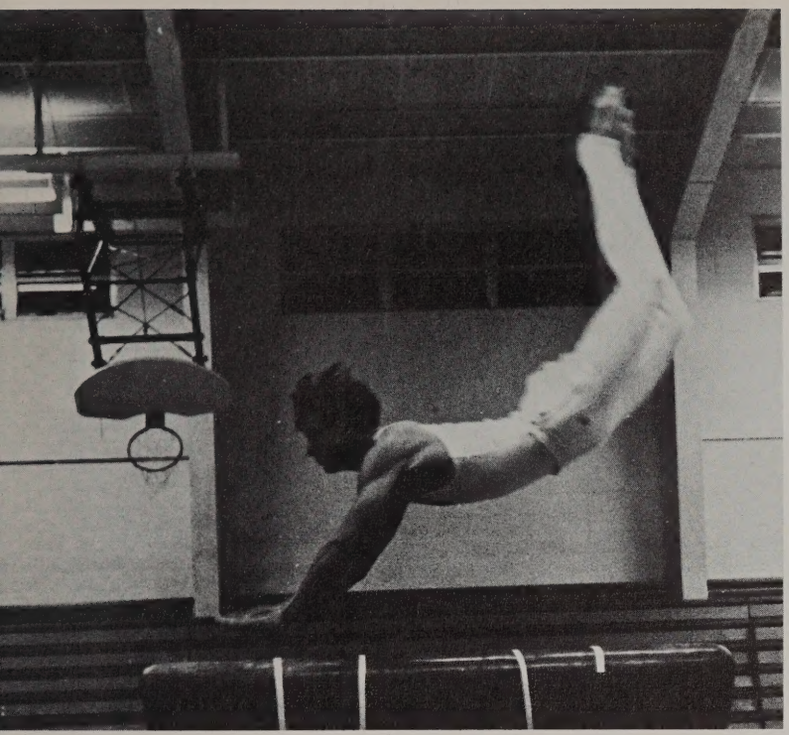
Together three J.V. wrestlers accumulated fifteen straight pins. They were Jerry Payne (4), Nick Daversa (5), and Gene Limbaugh (6).

Although injuries on the varsity squad caused many players to be moved up, there were still many qualified wrestlers to take their places.

A few of the most outstanding wrestlers on the team were Gene Limbaugh (8-0), Nick Daversa (7-1), Chris Edwards (7-5), and Jerry Payne (4-3).



Nick Daversa pins First Colonial opponent.



Dennis Whitehead performs on the horse in meet against Kempsville.

Boys' Gymnastics Ends Second Year of Competition

In its second year as a competitive sport at Bayside, gymnastics finished the season with a 2-4 record. Under the coaching of Mr. Wilson, the team beat First Colonial twice. Although the team lost to Kellam twice, both times were by the narrow margin of about eight points.

Front Row: J. Petty, M. Creekmore, W. Fox. *2nd Row:* D. Whitehead, R. James, E. Edwards, Coach Wilson, M. Heath, J. Toy, B. Stokes. *Back Row:* T. Siler, D. Mount, R. Haith, M. Murphy, P. Mactamm, R. Zeno.

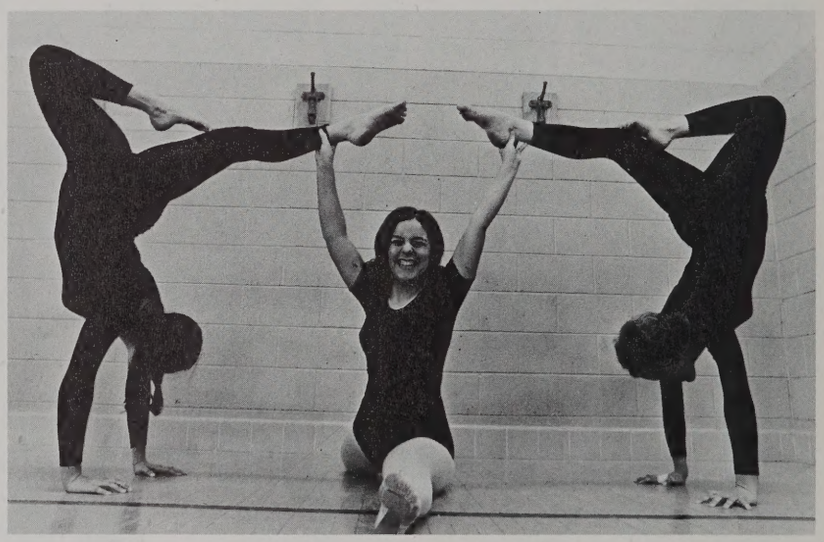
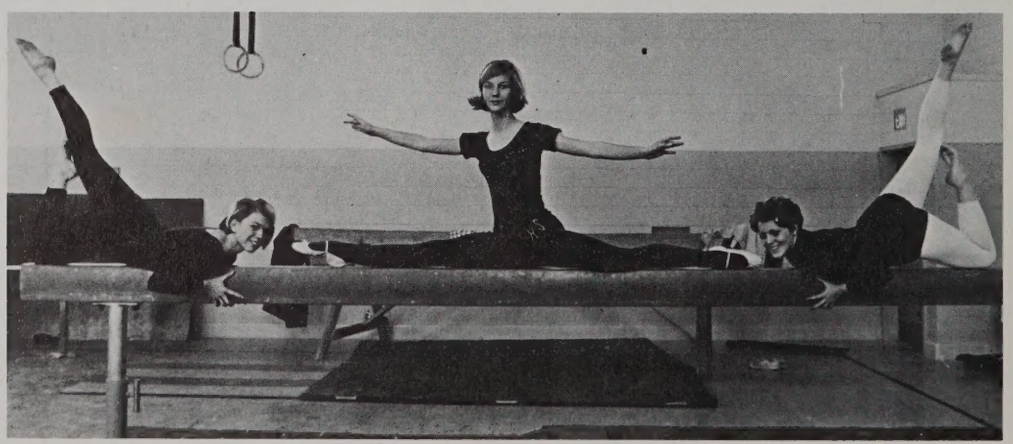
Grace Accents Girls' Gymnastics Team

Combining grace with artistry, the girls' gymnastics team performed intricate routines on the balance beam, unevens, and floor exercise. The girls performed compulsory or optional routines depending upon the number of years in competition.

This year's team, under the supervision of Miss Nocher, practiced three days a week. The girls competed in meets against First Colonial, Cox, Princess Anne, Kempsville, and Kellam.

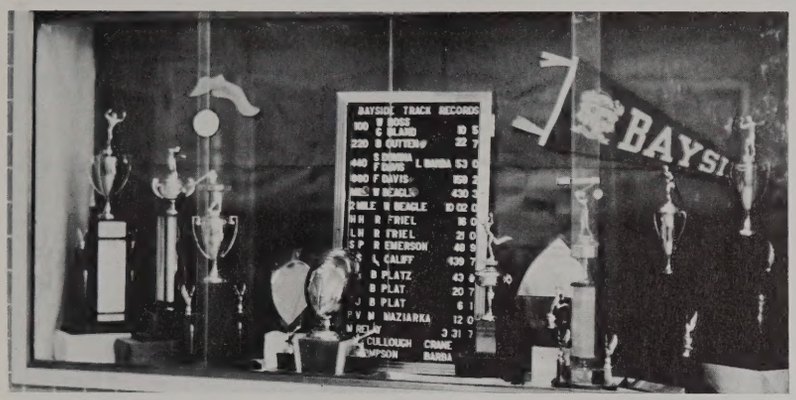


Pam Hill, performing splits, supports walkovers executed by Marla Burns and Karen Seipel.



Donna Castle and Alice Hill add grace to the split performed by Alma Kelly on the balance beam.

Marlins Complete Year of Broken Records



Records are set by Marlins in '70.

After outstanding records in cross country and indoor track, Coach Daly was looking forward to an excellent outdoor season. The real strength of the team was found in distance events.

Hopes were high for Jimmy Witt to break his 6'3" high jump record and Mike Maziarka to break his 12'3" pole vault record. 1970 was definitely a year for broken records.

First Row: J. Kennedy, M. Padilla, T. Siler, T. Higgins, J. Ballou, B. Fox, R. Kaye. *2nd Row:* P. Long, J. Witt, M. Maziarka, B. Chandler, S. Harris, P. Felot, T. Soloman, M. McNair, D. Copeland, Coach Daly, F. Edwards.

Varsity Baseball Begins Season With New Coach, Six Lettermen

Despite having to fill in where graduation left off, the Marlins' varsity baseball team tried to place better than last year's third place in district play. With only six returning lettermen, Coach Edgar Parker found that the team was hit hardest in the pitching area. Many juniors and seniors did show great potential. A strong junior varsity team also supplied many able players.

Playing a 15-game schedule, the Marlins proved that teamwork was an important element of success.

Mr. South Becomes J. V. Baseball Coach

Bayside's JV baseball team was relatively new this year. Mr. South replaced Mr. Johnson as head coach, and because many of last year's JV team members moved up to the varsity, there were many new players on the squad.

However inexperienced, the JV's long hours of practice and team work were evident in their performance during their games.

With only one returning member of the golf team, Coach Parker was faced with a rebuilding problem. Bill Dent, a three year veteran of the team was expected to have his best season yet.

Despite the handicap of inexperience, Coach Parker and the golfers were looking forward to a prosperous season.

Tennis Strives for Second Winning Season

Varsity tennis ended the '69 season with its first winning record of 6-4-1. Because the top six players graduated, Coach Griffin was faced with the problem of inexperience in 1970. Returning members with some competitive experience were juniors Ronald Hill, Emmanuel Ascercion, and Paul Weiss.

The team consisted mainly of juniors, but had a few seniors. The opening of practice brought few people, but a lot of spirit.

Although inclement weather hampered the first few days of practice, the team was off to a good season.

Varsity Cheerleaders Organize First "Spirit Night"

Co-captain Marsha Ellis and captain Maggie Greenwood.

The varsity cheerleaders' many hours of diligent practice were evident in the precision they displayed at football and basketball games and pep rallies.

In October the cheerleaders organized BHS's first Spirit Night and presented Mr. Football. During the basketball season each girl became a "little sister" to a member of the team.

Throughout the year the cheerleaders led the school in spirit and support for all of Bayside's players.

"You're putting me on!" exclaims Maggie Greenwood.

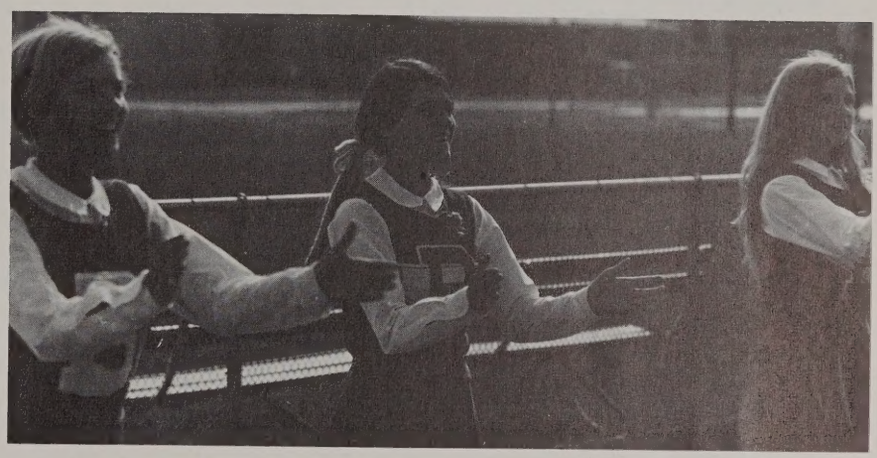
J. V. Cheerleaders Share Pep Rallies With Varsity

J.V.'s welcome opposing team.

Cheering was a new experience for most of the girls on the junior varsity cheerleading squad. These girls not only cheered for the J.V. games, but also sold programs at the varsity games and shared pep rallies with the varsity cheerleaders. At the end of both the football and basketball seasons the girls held a cook-out for the J.V. players.



Kandi, Mari-Bea, and Lori lead the sophomores in a cheer at the Quiet Day pep rally.

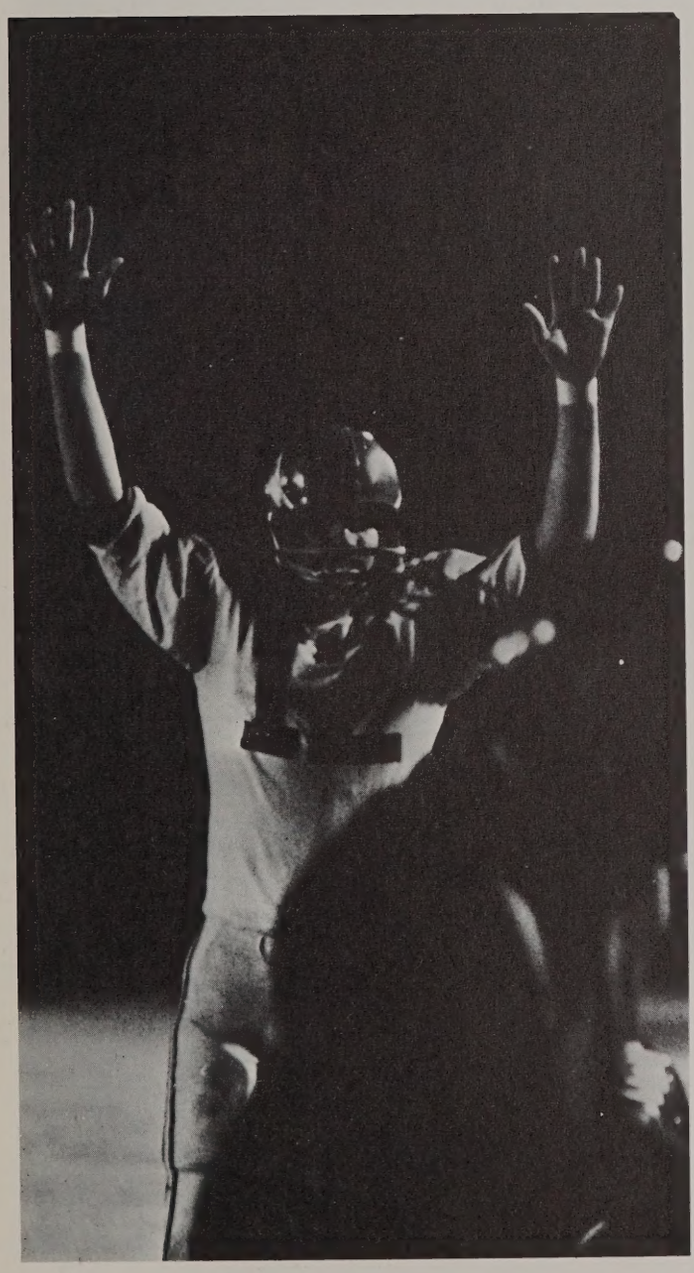
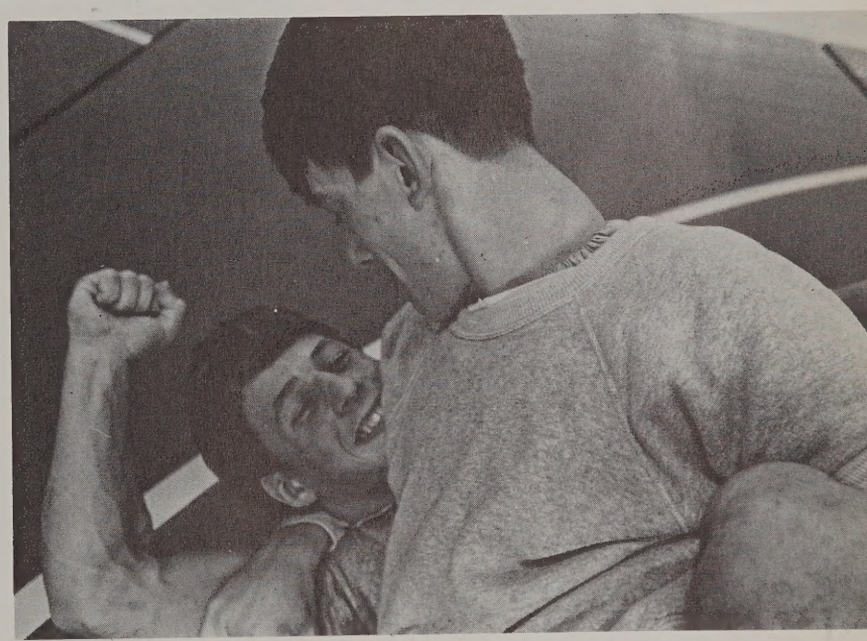
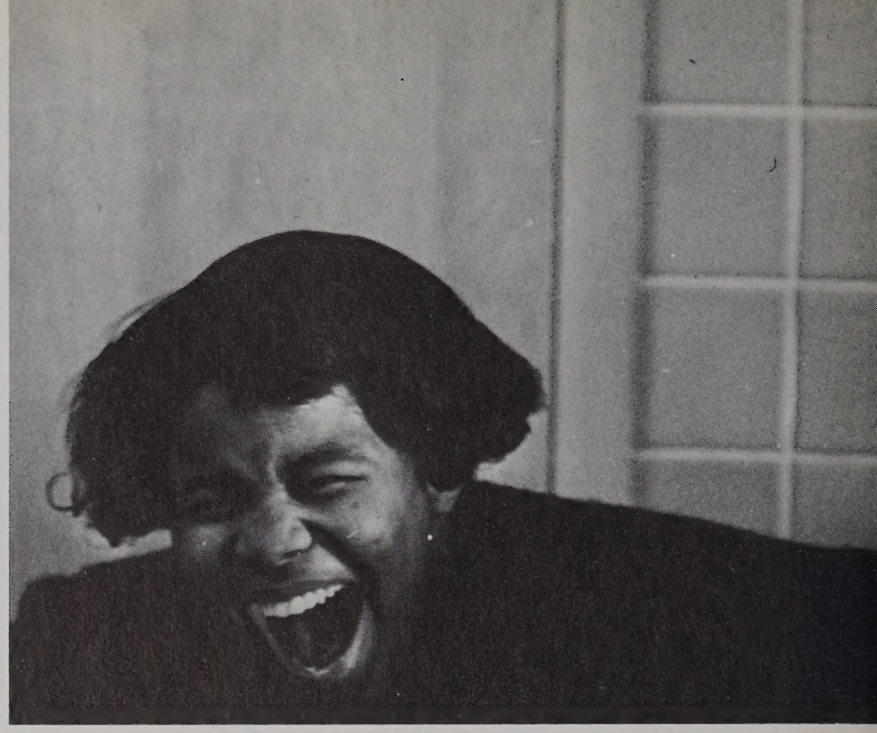
Each of us seeks our hidden ability
which at one special moment
will become visible . . .

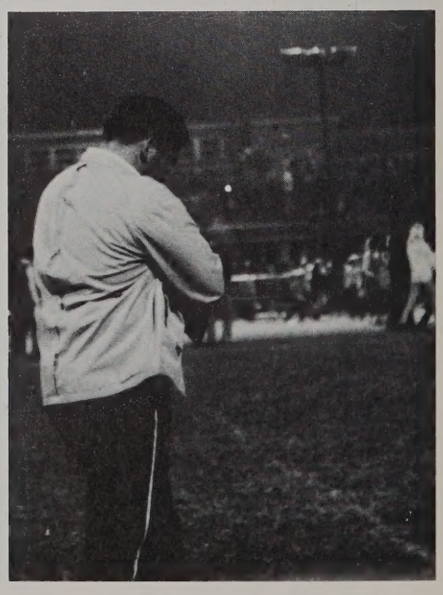




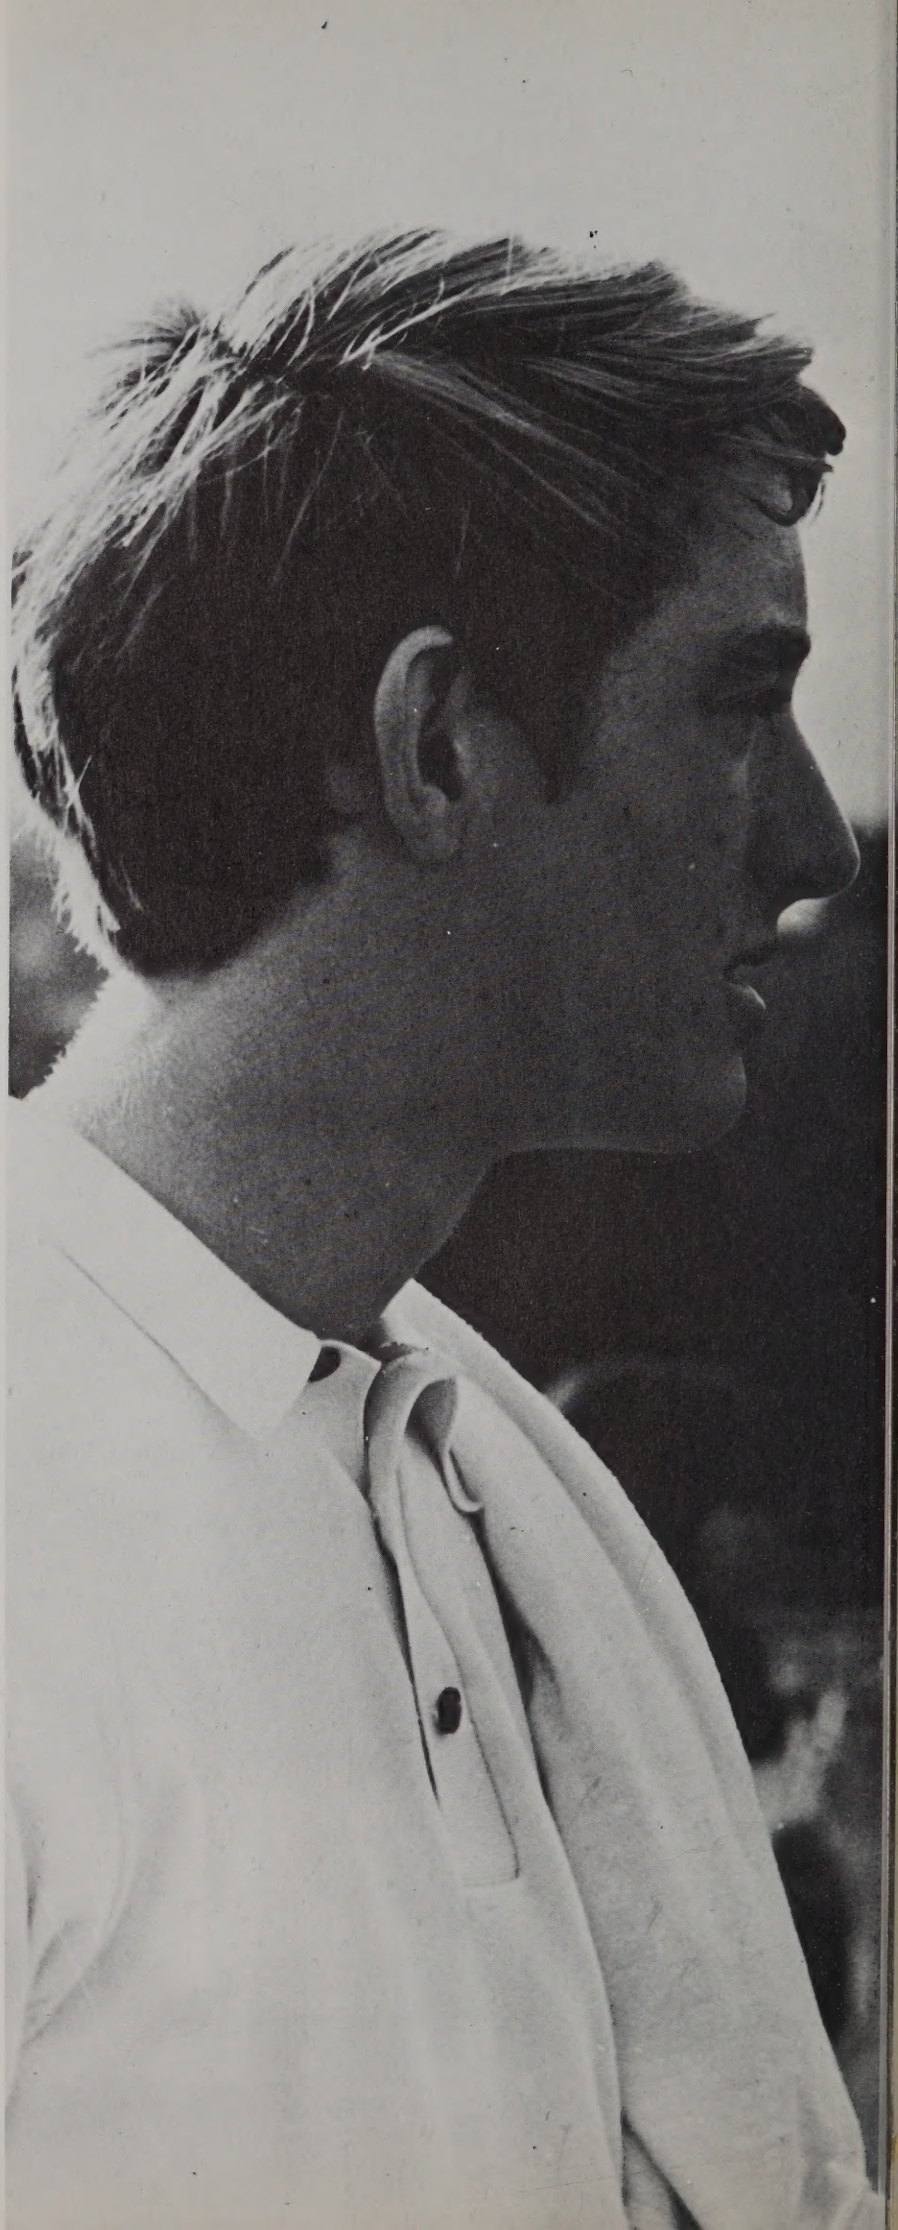
. . . and afterwards no failure
can stop us from succeeding
in the field where
we are best.

The spirit of a team,
the joy or sadness
of a moment . . .





. . . and the bond
between two people
allows us to discover
the need we have
to share our lives
and experiences
with one another.



You cannot teach a man
anything;
you can only help him
to find it
within himself.

As mankind explores
the horizons
of his world, so we at Bayside
probe
our own individual
realms.
